DEPARTMENT OF RETIREMENT PLANNING

Baptist State Convention of North Carolina

In North Carolina as of March 31, 1981, 3,144 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1981, we had processed the following:

70 - Southern Baptist Retirement Program applications
11 - applications for age retirement benefits
442 - upgrades

One of the most exciting and far reaching aspects of our work for 1980 has been the printing of and response to the study guide, *Planning the Rest of Your Life.* This booklet is available from our office for church staff members, small study groups and church families who wish to have help in planning their retirement years.

The church's response to upgrading the staff member's retirement program is most encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum.

ASSOCIATION

In Green River Association 25 churches and 26 staff members are participating in the retirement program. Of this number seven are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10 percent of total salary for staff members.

Respectfully submitted,
Rev. C.C. Nanney

Appreciation Committee Report

On behalf of the appreciation committee I would like to express thanks to each of you who helped make our associational meeting such a success.

A few of these are: the members of Green Hill and Mount Vernon churches: Mount Vernon for making available their facilities, especially to Mrs. Brenda Owens, Dorothy Owens and Ann Long for preparing and serving such a delicious meal, also to Green Hill for furnishing the dessert, Rev. Miller Freeman and the other musicians for supplying such beautiful music throughout the meeting, everyone who served on the program, and a special thanks to our moderator, Dr. Jeff Cranford and our secretary, Mrs. Rose Ann Shehan.

Respectfully submitted,
Margaret Davis

Baptist Children's Homes

The ministry of the Baptist Children's Homes in western North Carolina continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The western offices were moved to the Broyhill campus in July making them more central to the 17 western counties. Through these offices services and place in the state are made available to those who need assistance from the homes.

Programs located in the western area include: group care at Broyhill Home, emergency care at Forest City and in the Haywood Cottage at Broyhill Home,

Maternity Home in Asheville, Craig Cottage in Ridgecrest, a network of foster homes, mother's aid, social work and counseling services. Children and their families from western North Carolina are served through these programs.

Good things are taking place in our Baptist Children's Homes family across the state. Six family services centers have been opened with three others in the planning stages. Children are being provided temporary care in seven emergency care homes. Therapeutic camping for boys is being expanded at Cameron Home near Vass. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist churches. The Family Resource Center located in Thomasville is piloting a concept of continuing education for people across the state who are in the best position to assist families through a concept of preventive care.

A recent gift of $60,000.00 from the J.E. Broyhill family given in recognition of Mr. and Mrs. Broyhill's sixtieth wedding anniversary moves the western program a step closer to a family resource center on the Broyhill Home campus. This will serve to make available to pastors, church leaders and other workshops and materials dealing with family concern. Preventive care is the theme. Pray that our Lord will lead as we move to meet this challenging need.

Luther Osment and members of the staff of the homes in western North Carolina are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God." (I Corinthians 3:9) Thank Him for this relationship.

Respectfully submitted,
Eulas Davis

North Carolina Baptist Foundation

During the past year, 23 new trust funds valued at $385,016.00 were established with the North Carolina Baptist Foundation. Coupled with the additions to existing trusts, total new assets held for the various missions and institutions increased the value of trust assets by $453,877.00.

- Foreign missions trust funds increased by approximately $26,000.00
- Home missions trusts increased by $8,000.00
- Baptist Children's Homes of North Carolina trusts increased by approximately $19,000.00
- Southeastern Seminary by $12,250.00
- Fruitland Bible Institute by $33,000.00
- North Carolina Baptist Homes by $1,500.00
- Local church trust funds, including cemetery, scholarship and mission funds by $5,000.00
- Cooperative Program by $7,000.00
- Statewide student loan fund by $115,000.00

The directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two-year period, investments moved toward high quality selective bonds to accomplish this goal. The income of yield increased steadily with the rate of December 30, 1980 averaging 10.3 percent. Market value of all assets on December 30, 1980 were $4,586,215.12. The bond portion of the investment portfolio reflected the high interest market at the end of the year with market values being depressed below inventory value.

Thirty-eight percent of the market value of all assets held by the foundation were made as gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist institutions. Foundation personnel are available to assist any member of a Baptist church in

North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ, even beyond one's lifetime.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis. Individual trust accounts are established with only the income being distributed in the name of the deceased family member. Generally the mission cause named to receive the income was loved and supported during the lifetime of the family member.

Private and confidential conferences are scheduled by Foundation staff members with individuals desiring to seek direction in estate planning and giving.

Respectfully submitted,
John Perry

Baptist Hospital Report 1981

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hosptial has expended more than $3 million on technological equipment, including the installation of an 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiacatherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes, making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short term mission assignments during the past year, many of these in overseas areas.

The Department of Pastoral Care continues to provide pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost-effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,397.73 through the North Carolina Missions Offering and designated gifts.

Brotherhood Report

The Brotherhood Commission is excited over the challenge from the Executive Committee of the Southern Baptist Convention to "assume leadership for involving Baptist Men in Bold Mission Thrust and especially that it work with men to find challenging places of service for them in church and denominational life."

This is in line with brotherhood's recently adopted statement of objective, "Helping Churches Involve Men and Boys in Missions." Everything now underway is being weighed on the scale of this statement, and progress is being made in all areas of brotherhood work.

The Brotherhood Commission conducted consultations in 10 cities to learn ways laymen wanted to participate in Bold Mission Thrust, prepared 536 brotherhood training specialists to orient new associational and church brotherhood officers about the 1980-81 brotherhood programs and to start new brotherhood units in the churches. The agency also cooperated with four other Southern Baptist Convention agencies to implement a coordinated missions education plan.

In North Carolina Baptist Men have been involved in the Mountain State 200 project in West Virginia. The goal is to assist West Virginia Southern Baptists in adding 100 new churches within the next five years. More than 100 North Carolina congregations have helped thus far.

Our attempts to send a group from our association were delayed due to the resignations of state director Ed Bullock and his associate Archie Jones who were coordinating the project. Hopefully, we will be able to make the trip in the coming year.

The associational brotherhood workshop was held on September 29, 1980 and was attended by approximately 20 leaders from various churches. Conferences were held for workers in each organization. The workshop provided valuable training for all who were present.

Let me encourage more of our churches to begin brotherhood units in order that our men and boys may be involved in missions.

Christian Education

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are strategically located throughout the state so that one of them is reasonably close to any North Carolina Baptist.

Our churches and our educational institutions have a wholesome working relationship. Each realized that it is dependent on the other for support if it is to be successful. Churches must look to Christian institutions for ministers and other leaders, and the colleges must depend upon the churches to furnish pupils from which this leadership is developed.

More than a century ago the Baptist people of the state saw the importance of providing trained ministers to lead them, and Wake Forest College was established in 1834 for the specific purpose. As our people have seen the tremendous need for spiritually trained young men and women in the various communities, one college could not provide the necessary number, and other colleges and high schools supplemented the purpose of the first college.

Last year a total of 19,751 students were enrolled in our seven Baptist colleges. Many of these are preparing for full-time Christian work and will provide much needed leadership in the churches. In addition to these, many other students who are trained under wholesome Christian teachers, and along with those preparing for all-

time church leadership, will become lay leaders. From this group come a host of teachers, deacons and other helpers.

Two things we especially need to do in support of our colleges: First, encourage capable students to attend these schools. A student trained in a Christian college should become a leading citizen of his community. Second, support our higher educational institutions financially through the Cooperative Program and the North Carolina Missions Offering. By these two methods of supporting our colleges, we can be assured of the needed leadership of our churches.

Christian Literature

Again this past year, the *Biblical Recorder* has reminded us all of the value of good church-pastor relations. This is just one of many subjects the *Recorder* seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The *Recorder* is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The *Recorder* also challenges us in many other ways. For example, it reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The *Recorder* was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there -- a front row seat, as it were, for only $.07 (cost of one *Recorder*.)

When people know the truth -- and truth must be spoken in love -- we have a better convention, better churches, better associations and better individual Christians. The *Recorder* is that instrument of communication that keeps us closer together as Baptists.

If you are not receiving the *Recorder*, you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

Melvin Stallings

Church Training Report

Church training enrollment showed an increase of 59 this year among our churches. The total enrollment for the association is 870. A total of 19 churches reported having church training programs. This is one more than last year.

All of our churches are encouraged to provide some sort of church training for its members. To have a church training program does not mean that your church must have a training group meet every Sunday night. Any training event can be interpreted as church training. Many churches can have doctrinal studies, teacher training, or use the Church Training Resource Kits. These kits are available through the associational office. Even if your church does not feel that it can have complete train-

ing program, encourage your church to provide some training this year. Starting a training group for one age group, such as the youth, may be one way of getting started.

Associational church training events for this year will include a children's Bible drill scheduled for May 23. Last year we had one church represented in our children's Bible drill, with four participants. If your church would like to participate in the Bible drill tournament, the association will be glad to help you get started.

Cooperative Program Report

The cooperative efforts of all churches, the Home Mission Board, the Baptist State Convention, our Green River Association and each one of us working together makes the Cooperative Program work. The more churches that give, and as we give together make it possible to reach more people for Christ.

We really give through the Cooperative Program and not to the program. We are hoping and praying each church will give through the Cooperative Program this year. The channel through which these funds move is called the Cooperative Program. We should be grateful that we can be used of God to tell the world about Christ through the Cooperative Program. May we join together and share together in giving of our means through the Cooperative Program.

It is the same channel (Cooperative Program) that carries our money to mission projects here in North Carolina all across our home land, and into more than 90 countries and territories throughout the world, bearing testimony of Christ's concern for the lost and needy. May we have the joy of helping others to win the lost to Christ.

Commitment to missions calls for specific action on our part as individuals to the world mission task through serving and giving. (Jesus Christ was and is on world mission, and He has chosen us to work through.) May the Lord bless us as we work together.

Library Report

"The function of the church library is to be the church's arm in furnishing and encouraging the use of materials of instruction, information, and inspiration with a view of leading individuals toward Christian maturity.

Thirteen of our 31 churches in the Green River Association have libraries in their respective churches. Each reported that their libraries are being used by their church members.

All have added to their libraries during the year. The additions have included books, filmstrips, and one reported adding a new 16mm projector.

It is our hope that our churches not having a library at the present will be able to include one in their church in the year 1981-82.

W.M.U. Report

We have had a good year in W.M.U. work. It hasn't been all that is should have been and perhaps not our best by any means, but much good work has been done and we thank the Lord for it.

We observed World Day of Prayer in November at the Montford Cove Church. Also in mid-November we had an associational foreign mission study at the Long Branch Road Church. Our study was "Missions to-Morrow" Looking Toward the 21st Century. At the same time mission study for the youth organizations was offered at the Mountain View Church.

A project that proved to be a great success was an associational Mission Fair in February at the Round Hill Church. It was not a W.M.U. project, but no one had greater interest in it than the members of our missions organizations, and everyone did their part in making it the success that it was.

Our home mission study was at Pleasant Grove Church and was taught by Rev. Bill Brock. It was on associational work.

In March eight women form our association went to our annual state meeting in Charlotte. In April we had our own annual meeting at the Mountain Creek Church. Our principal speakers were Dale and Beulah Hooper, missionaries to Kenya and W.O. Hern, formerly a missionary to Lebanon and Israel. He is now working with Moslems in North Carolina.

Three of our associational officers spent the week at Ridgecrest, during the W.M.U. week. On August 29 we were honored to have our new state president speak to us at the Southern Church. Mrs. Bea (Horace) McRae was elected in Charlotte in March. She challenged us to recognize our spiritual gifts and develop them to the glory of God and for better W.M.U. work.

Five associational officers attended the state leadership training at the First Baptist Church in Asheville on August 29. Our associational leadership training was held on September 21 at the Oak Springs Church. Our emphasis for the year ahead is on enlargement. Mrs. Marie Blackwell, our Starteam member from Hendersonville will be in our association in late October to work with us on enlarging and strengthening our work.

Your associational council stands ready to help you at any time.

Thank you for all that you have done.

Respectfully submitted,
Violet Bartles

Evangelism Report

All Baptists are urged to participate in the joint evangelistic crusade in 1982. The theme will be "Here's Hope." Interpretation meetings have been held across the state to suggest plans and basic thrusts for the joint crusade effort, which is co-sponsored by the Baptist State Convention and the General Baptist State Convention. The simultaneous revival dates for the areas are: Coastal, March 14-28; Piedmont, April 4-18; and Mountain, April 25-May 9, 1982. Eavery church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

Churches are urged to have lay evangelism schools in preparation for the '82 joint crusade. Master copies of transparencies to be used in teaching lay evangelism school were sent to all directors of missions. Seventy-three associations have a trained coordinator of lay evangelism schools who will train other pastors in the association.

"Prayer and Awakening" was the theme of the thirty-fifth statewide evangelism

conference held February 2-3, 1981 in the Thomas Wolfe Auditorium, Asheville Civic Center, Asheville, North Carolina. About 2,400 pastors and laypersons attended this conference.

Most of our associations have been involved in Bold Evangelism clinics, encouraging church leaders to plan specific, ongoing programs of evangelism in the local church, with the use of the notebook, *Bold Evangelism through the Local Church.* The other associations are asked to plan a Bold Evangelism clinic, and churches are also urged to enlist a local church task force on evangelism to involve more members in direct witnessing to unsaved persons.

Some of the associations will be meeting before the dates of August 28, 29, and 30, but on these three nights, thousands of youth will be involved in our three youth evangelism conferences. This is a first as, heretofore, we have had only one youth evangelism conference. On August 28 the conference will be in Fayetteville; on August 29, in Greensboro, and on August 30, in Asheville. We thank God for these three wonderful evangelistic opportunities and for what we believe He is going to do in these three services.

The youth evangelism leadership conference has rapidly become a major intensive equipping time for pastors and youth leaders. Key areas of the conference are personal growth of the leader, youth witness training and discipleship, and equipping adults to minister to youth. During the 1981 conference, October 5-7, at Caraway, Jack Taylor is the inspirational speaker.

Baptisms were up last year! Praise God! While it is too early to know, we all pray that North Carolina Baptists are recapturing the desire and commandment of the Lord to "feed my sheep." If so, we shall surely continue to see more persons led to receive Christ as Lord!

The thirty-sixth statewide evangelism conference will be held in Greensboro during February 8-9, 1982.

On April 1, 1981, W.C. Lamb became evangelism consultant of the Hawaiian Baptist Convention.

Guy Johnson

Church Covenant

Having been led, as we believe, by the spirit of God, to receive the Lord Jesus Christ as our Saviour, and on the profession of faith, having been baptized in the name of the Father and of the Son, and of the Holy Spirit, we do now, in the presence of God. and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this Church in knowledge, holiness and comfort; to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the Church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements, and examplary in our deportment; to avoid all tattling; backbiting and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch over one another in brotherly love; to remember one another in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready for reconciliation, and mindful of the rules of our Saviour to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church, where we can carry out the spirit of this covenant and the principles of God's word.

Bill's Creek Baptist Church is a church dedicated to helping you take the Gifts of God and by the Grace of God becoming and doing all you can for the Glory of God.

Historian's Report

Jane Melton

Bill's Creek Baptist Church was organized in 1785. It is the oldest church in the Green River Baptist Association, and the oldest Baptist church in Rutherford County. During its existence, as far back as records go, 32 pastors have served as ministers and some 18 men have served as interim pastors, including Rev. R.L. Crawford who is serving now. Rev. Harold Meeks will begin his ministry at Bill's Creek on November 8, 1981. The church from 1900 to now has had five men ordained ministers from the church. Rev. William H. Logan was the minister serving the longest term in the church, 1859-1890 (30 years). Rev. Logan was responsible for purchasing one acre of land in 1872 and giving it to the colored people to begin their church, which is now Mt. Nebo Baptist Church. Rev. Logan served as pastor of the following churches: Cooper's Gap, Mount Vernon, Montford Cove, Bethel, Breathen Camp Creek, Broad River, Silver Creek, Stone Mountain, Piney Knob, and Columbus. He was clerk of

the Green River Baptist Association from 1826-1865, and the moderator from 1827-1888. Rev. Logan left an influence among people that has and never will be forgotten.

In 1829 the membership totaled 71, and in the 1839s-40s in the hundreds. As the community grew membership grew and today the resident membership is 120 and the nonresident membership around 90. Rules (or bylaws) were adopted in 1859, and the constitution adopted as best we can determine the year of 1785. The church covenant was adopted also around this time, and appears on the church bulletins now. In the year 1800, the Broad River Association was formed and Bill's Creek was represented as a member. In the year 1827, the Catawba River Association was formed and Bill's Creek joined as a member. In 1840 the Green River Association was formed and we became a member and currently a member. On April 17, 1841 a convention was held at Bill's Creek for the purpose of forming a new association, out of the western part of the Catawba, a part of the Broad River and the Salem Associations. On October 12, 1912, the Green River Association met at Bill's Creek in the seventy-second annual session. In 1876, by pledges the pastor's salary was $47.05 for the whole year. These pledges were collected door to door, by walking, horseback, wagon, ect. Around the year 1885, the old log church was torn down and rebuilt to a wooden structure. On August 31, 1952 the pastorium was completed and dedicated. In 1959 the educational building was begun and completed in 1964. In 1963 the inside of the church was painted, also in 1963 the outside of the church was bricked. The inside of the church was remodeled in 1965. On March 6, 1966 the baptistery was installed in the church, and in 1970 a beautiful scene was placed at the back of the baptistery. The first member baptized (reared in Bill's Creek) was Bruce Wilson, who currently serves as a deacon of the church, and baptized by Rev. Ernest Howell. All church records were micro-filmed in 1971. New ministries began, such as the first church-sponsored radio hour, under Rev. Bruce Bradley's leadership, tape ministry for shut-ins under Rev. Bradley.

We give credit of all these accomplishments to God and our members here at Bill's Creek Baptist Church. We are looking forward for greater missions in the future as we grow in number and love. Plans for remodeling our church auditorium are now under way, and building fund started, to be completed, the Lord willing, for our two hundredth year celebration in 1985.

North Carolina Baptist Homes

As we look back over the past 30 years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one home in 1951 to a total of six homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used North Carolina Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of Christian care to each of the residents in the six homes, nursing care unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current nursing care unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at the current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $55,000.00 (18 percent of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels – the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a special study committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His blessings upon the homes' vital ministry to older adults. We will keep faith with Him and with North Carolina Baptists and strive to give the highest quality care to each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

I can add nothing to this fine report by the fine executive director of our homes except to commit myself anew to this important ministry and ask you to so commit yourself as an association and as concerned individuals in the Lord's work. Thank God for this ministry and may God lead us as we take seriously our task of supporting it and keeping it ever expanding and vital to His glory.

Respectfully submitted,
James O. Mattox

Interracial Cooperation Report

The North Carolina Baptist Convention is actively engaged in cooperative efforts with General Baptist Convention of North Carolin. There are several points of contact between Baptists of both conventions. The most important point of contact for this year is the joint evangelistic crusade, "Here's Hope." During the weeks of April 25 - May 9, 1982 both black and white Baptists will be holding simultaneous revivals, each in their own church. This is a statewide evangelistic effort designed to reach every person in North Carolina for Christ.

Other areas of contact between both conventions include summer youth ministries, campus ministry, student aid, seminary extension, and retirement program. Currently, there are eight predominantly black Baptist churches which are aligned with both the North Carolina Baptist Convention and the General Baptist Convention.

Local churches are encouraged to seek out ways to cooperate with Baptists of different racial background. Among the ways this can be done is through community services and pulpit exchanges.

L. Dean Majette

Missions Committee Report

The importance of missions is ever renewed in our minds when we think of the many needs of people, those within our communities, state, nation and world. Our association is blessed with churches and pastors that are committed to the task of preaching the message of Christ, the message of hope. Our churches continue to support missions through involvement in the study of missions and in mission support through financial commitments.

Our committee is appreciative to our director of missions for his work among our churches.

Respectfully submitted,
Rev. Billy Honeycutt

Resort Area Missions of Chimney Rock

Resort area missions in Lake Lure-Chimney Rock extend from June through the middle of August. This year our two summer missionaries from our Home Mission Board were Terri Davis from Alabama and Martha Lively from Missouri.

Our missionaries conducted 20 Sunday morning campground worship services, and led or participated in 19 Friday and Saturday evening campfire devotions. They taught a youth class in Vacation Bible School, conducted a weekly youth Bible study, and met with the youth group each Sunday evening at the Chimney Rock Baptist

Church. They also spoke in worship services in two churches and visited regularly each week in the campgrounds and shops inviting people to the services and distributing tracts and scripture pieces. Jim Gregory, a student at the Fruitland Baptist Bible Institute, again led worship services at two campgrounds for 14 Sundays. At all campground services there was a total attendance of 1,280.

Our missionaries again planned and promoted an areawide youth rally at the Lake Lure beach on the afternoon and evening of August 16 with about 140 youth and their leaders in attendance from churches in the Carolina and Green River Associations.

Approximately 75 youth and their leaders from churches in Kentucky, Mississippi, North Carolina, South Carolina and Tennessee visited our area on mission tours. They presented musical programs, puppet skits, and led Bible studies in the campgrounds.

The Chimney Rock Baptist Church sponsored 16 Sunday lakeside worship services at Lake Lure from Memorial Day through the Labor Day weekend which were attended by 615 persons.

As a result of this ministry, there were two known professions of faith in Jesus Christ and many people were provided with a Christian witness in a vacation setting through worship and the word.

We are again most grateful to Mr. Lester Hodge for again so generously providing an automobile and gasoline for our missionaries, to the Green River Association and the Baptist State Convention for the funding of our ministry, to Bill Brock, director of missions, for his counsel and support, and to the members of our churches whose offerings make our ministry possible.

Ernest Poston, Director

State Missions Report

Through state missions, North Carolina Baptists are ministering to people with special needs. Language work is conducted in 17 cities among Indian, Korean, Chinese, Spanish, Japanese, Vietnamese, and Arabic people.

There is a ministry to approximately 23,000 migrant workers in seven associations. The lives of thousands of tourists are touched each year through resort missions at the beaches, lakes, ski resorts and in other mountain areas, including our own association.

Chaplains, Baptist men and Baptist women, minister to the inmates of our state correctional facilities. Retreats, camps and conferences are provided for the blind, the mentally retarded, and the deaf. Churches are being helped to structure programs and activities to lead these special people to accept Christ and to grow in discipleship.

Mission education and information on service opportunities for volunteers are also provided for the churches.

All of these ministries of the Division of Missions of our Baptist State Convention are made possible through the gifts of our churches through the Cooperative Program and North Carolina Missions Offering.

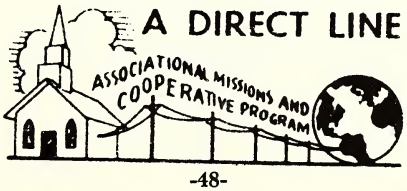
Ernest Poston



Sunday School Report

The importance of the Sunday school ever increases as the needs of people for Bible study, fellowship and ministry grow. It is in this setting that often needs are met.

During this year one of the most significant events for Sunday school was the introduction of a new set of training materials for all age groups entitled "Basic Sunday School Work" series. If your Sunday school is needing a new understanding of its task, these materials will be so helpful.

May God bless each one as he seeks to teach God's work through the Sunday school.

Rev. Billy Honeycutt

Vacation Bible School Report

The Green River Associational Vacation Bible School Clinic was held at Second Baptist Church, Rutherfordton, North Carolina with a total of 70 persons from 14 churches represented. The association used three workers from the Sandy Run Association to assist in this clinic. All of the workers were well prepared, and we appreciate all they have done to cooperate with us in this work. It is our desire for all of our churches to take advantage of this training opportunity. Don't wait until the last minute to have a good V.B.S. It just doesn't work. The churches need to take advantage of soul-winning, missions, Bible study opportunities here through Mission Vacation Bible Schools, Backyard Bible Clubs, etc. Use your youth to assist in this. It becomes a great training opportunity.

We have finally seen some gain in V.B.S. with a total of 27 out of 31 churches having some type of V.B.S. There were 1,931 persons enrolled, 47 professions of faith were made as a direct result of V.B.S.; $778.07 was given to the Cooperative Program.

Have you given everyone in your church and community the opportunity to take part in V.B.S.? Why not begin now to plan for next year, then next spring you can work on your plans.

Rev. Carrell Pruette

Stewardship Report

The Stewardship Commission of the Southern Baptist Convention in cooperation with our State Baptist Convention is providing leadership and materials for a great thrust in stewardship promotion in the associations and local churches. It is hoped that this will give support in achieving the goals of the Bold Mission Thrust adopted in 1976-77. It is also hoped that it will result in developing good and faithful stewards as individual members of churches.

Because of the helps and aids available, I urge that our churches elect responsible persons to lead the membership of the local church in becoming informed and committed as stewards of the many graces of God. I also recommend that such persons contact the associational office or the associational stewardship chairman for information on how to get the helps and aids available.

Respectfully submitted,
Melvin W. Stallings

Director of Missions Report

Whether one is a doctor, lawyer, pastor or director of missions of an association, it is essential that he keep up with what is going on in his field of work. The area of associational missions is receiving increasing recognition across the Southern Baptist Convention as the organization closest to the churches and, therefore, most able to sense their needs and devise ways and means of aiding them in their growth and development. During the year I have sought every opportunity to upgrade my knowledge of work of the association. Recently, I attended a national conference, "Mission in Context" on the work of the Baptist association. During the year I have also attended the annual meeting for the director of missions held at Wingate College, the quarterly Region Eight meetings and the key leadership conference at Ridgecrest. I feel that these conferences are a part of my work and serve as a periodic update of what is going on in the field of associational missions.

Since I consider myself more a "team member" than an autocratic leader, I have sought to work through committees in the association. In August of last year we organized the associational council (composed of the moderator, departmental directors and other associational officers) and have been working with them in annual planning for the various phases of our associational program. We hope to soon do some long-range planning with this committee. We also worked with the new youth council in an effort to study needs and to plan programs that will attract youth and contribute to their spiritual growth.

For our 1981 annual mission emphasis, we planned and promoted a "Missions Fair" in February which was held at the Round Hill Church. The 1982 mission emphasis will be "Mission Rallies" March 29 - April 2, 1982 in five of our churches.

The Rutherford County evangelistic crusade was held July 26 - August 2 with approximately 23 of the Green River Associational churches participating. I served on the executive committee as a member of the hospitality committee.

We were able to plan and conduct a tour group, mostly of senior citizens to Charleston, South Carolina in April. Another group visited the Baptist Home for Aging at Asheville in August. We would like to plan other outings of interest both for youth and senior adults in 1982.

One of the original purposes of the early associations was fellowship and dialogue on doctrinal issues. The hurried pace and full schedules of many of our people today have caused the program committees to cut the sessions and streamline the meetings so that there really isn't much time for either fellowship or dialogue any more. Perhaps we should restudy the purpose of our association and try to plan our work so as to better fulfill that purpose. After all, 140 years is a long time and perhaps our purpose has changed, and our association should take another look at what purpose would best serve the 31 churches now affilated with it. Many associations in North Carolina find that they can no longer satisfy their needs with only one annual associational meeting per year, for reports, training sessions, special emphasis, fellowship, dialogue, etc. Several associations have four meetings per year during which they schedule special emphasis. An example would be: October meeting, reports and a "Study of Ministries" such as, ministry to youth, to senior adults, to handicapped, social service, resort missions, etc.; January meeting, "In Looking" on doctrine with forums for dialogue and discussion; April meeting, missions and evangelistic outreach such as revivals, mission emphasis, crusades, etc.; August meeting, training and preparation for service, key leadership (update in all phases of church work).

There has been a 13.6 percent increase in population (6,450 persons) moving into Rutherford County between 1970 and 1980. Church records do not seem to indicate that Baptists are reaching many of these newcomers. North Carolina Baptists are committed to Bold Missions so we need to find some way of reaching the lost and unchurched around us in Rutherford County.

There are four areas that I would like to challenge each of our churches to work toward during the 1982 associational year. I pledge you my support and personal commitment to each of the following:

1. One hundred percent participation of the 31 churches in the 1982 joint evangelistic crusade, "Here's Hope," each church having a simultaneous revival (one or two weeks) during the period of April 25 - May 9.
2. Green River Association mission teams on mission in West Virginia involved in the "Mountain State 200" outreach mission program. We need approximately $7,500.00 to build a mission church building there; $245.00 per church will do it.
3. Each church in Green River Association organizing at least ONE NEW UNIT in 1982. This means a new Sunday school class, new W.M.U. unit, a new brotherhood group, a new mission Sunday school, or a new mission church. If the church is interested in the unchurched I don't believe this is too much to ask.
4. Each church practicing its Christian stewardship by making regular financial contributions to (1) associational missions, (2) Cooperative Program. Re-examine your contributions to "Mission Causes" and see if you can't increase your gifts by at least one percent.

The Christian church today does not enjoy the rapid growth characteristic of the first century. In fact statistical studies show decline in many church organizations. We ask why, but perhaps we already know. Contrast the conduct of the present day church member with the description of the early Christians. (Acts: 1:44-47)

> And all the believers met together constantly and shared everything with each other, selling their possessions and dividing with those in need. They worshipped together regularly at the Temple each day, met in small groups in homes for Communion, and shared their meals with great joy and thankfulness, praising God. The whole city was favorable to them, and each day God added to them all who were being saved.

The resolution states: WHEREAS, Miss Nannie Newsome was a longtime and faithful worker in our Green River Baptist Association, having served in many capacities through the years, and WHEREAS, Miss Newsome demonstrated in her life and witness a concern for Kingdom affairs and the ongoing of our great association, and WHEREAS, Miss Newsome's love for her Lord and the well being of her fellow human beings was so evident in her willingness to share her time, talents and resources, and WHEREAS, this dedicated soul's life was tragically ended before she had "finished the course" and brought to fruition her life's work.

NOW, THEREFORE, Be it resolved, by our association in session at the Round Hill Baptist Church, the beloved home church of Miss Nannie Newsome, October 22, 1982:

1. That our association express thanksgiving for the life and dedication of this dear soul, honor her good work, and memorialize her dear memory;

NORTH CAROLINA

As of March 31, 1982, 3,288 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

As of March 31, 1982, we had processed the following:

70 - Southern Baptist Retirement Program applications

14 - applications for age retirement benefits

501 - retirement program upgrades

The church's response to upgrading the staff member's retirement program continues to be encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum. In 1981 North Carolina reported 1,032 upgrades!

Six (6) video tapes are now available for churches and associations to assist in understanding the protection programs of the annuity Board. Order from the Film Library, Baptist State Convention.

VT16 - 1 "Planning The Rest of Your Life"
VT16 - 2 "Retirement - The Way It Is"

VT16 - 4 "Mental and Physical Health in Retirement"
VT16 - 5 "Continuing Education and Mental Alertness"

ASSOCIATION

In Green River Association 27 churches and 35 staff members are participating in the retirement program. Of this number eight are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10 percent of total salary for staff members.

N.C. Baptist Foundation

When it was chartered in 1920, the North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, receiving and managing the gifts, and distributing the income earned from the investment of those gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those designated causes should be any and all objects and causes of the "Missionary Baptist denomination."

Today, the purpose remains the same. Baptist Foundation is the only agency of the Baptist State Convention which receives gifts for all Baptists causes: the colleges, universities and seminaries, Baptist Homes and Children's Homes, Baptist Hospital and the school of medicine, churches and associations, Foreign and Home Mission Boards, special mission offerings, Cooperative Program, and all other concerns of Baptists.

During 1981, new trusts were created and old trusts had addition which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. (Real estate is stated in the assets at the value when given, which is on the books at approximately 2.4 million dollars less than the current market value.)

Through the trusts created prior to 1981, investments earned $418,529.70 during 1981 for distribution to beneficiaries named by the trust donors. During the years of the Foundation's existence, the sum of $2,610,299.00 has been distributed to all beneficiaries of trusts held by the Foundation, all according to the instructions provided by the donors.

The objective and future plans of the Foundation are summarized in a brief phrase - promoting mission support through estate stewardship. Through conferences and seminars, through counseling with individuals and speaking to church groups, the Foundation will continue to support North Carolina Baptists in their efforts to become better managers and stewards of their material possessions. Through its role as trustee agency, the Foundation will serve North Carolina Baptists by enabling them to enjoy Christian stewardship in its fullest sense - even after death.

Earl Moseley

N.C. Baptist Children's Homes

The mountain tradition for children is abundantly evident in the Western Area Program of our Baptist Children's Homes. Our Baptist friends in the west continue to undergird our ministry in a very fine way and in this time of inflation, we are increasingly dependent upon this support. Our Western units of ministry - Broyhill Home at Clyde, Haywood Emergency Care Cottage at Clyde, Thermal Belt Youth Shelter at Forest City, and Maternity Home in Asheville - all continue to operate at near capacity levels.

The fastest growing phase of our ministry is that of emergency care. In these centers located at Clyde and Forest City we can take a child in at a moment's notice from a desperate circumstance and keep that child for up to 90 days while a more long term placement can be arranged. The tumultuous state of our society causes these homes to operate almost constantly at capacity levels.

The Maternity Home in Asheville continues to be one of our most blessed ministries. So many girls come to us feeling that life is virtually ended for them and there, through Christian love and care, they find resources to begin again with new purposes and new hope.

Of course, Broyhill Home remains the focal point of our work in the western part of the state. In each of our five cottages, up to 12 children are cared for. These children often come from very difficult circumstances with many needs.

The Baptist Children's Homes has affected the lives of more than five thousand people during the past 12 months. With more than a dozen programs of care and with services being offered from 25 locations across North Carolina. Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve needy people in Christ's name.

The real heroes of this ministry are the houseparents who live on a day by day basis with these boys and girls. We are in the process of completing an "off duty" cottage for these houseparents where they can stay with their own children during those days they are free from their campus responsibilities.

The John Johnson Chapel on the Broyhill campus had been completed and is being well used by the Children's Home family and area church groups as well. Be assured that the welcome mat is always out for your group to visit us whenever you have opportunity.

A new 16mm 30-minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by short-falls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

Baptist Hospital

Believing the North Carolina Baptists have a right and responsibility to know as much as possible about their institutions, we submit the following information on Baptist Hospital in the hope that it will be of some interest and help.

With 673 beds in use, the hospital admitted 23, 350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room. These patients

come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) a new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of chemotherapy. (2) A new type x ray called "digital radiography," used principally for examination of blood vessels, which virtually eliminated expensive and cumbersome x-ray film. This method uses less radiation and requires less dye than standard angiography. It also requires less time and can sometimes be done on an outpatient basis. It is expected that this method can eventually be used in many areas of the body where x rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education. The Winston-Salem Center and also the satellites in Fayetteville, Raleigh, Morganton, and Charlotte all continued to experience growth both in the types of services provided as well as in the number of people served.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

Christian Higher Education

With the coming of universal education provided by the state, many people think the need for church supported schools is no longer needed. We are inclined to forget that it was the kind of students turned out by denominational schools that made public education popular.

Almost a century and a half ago, Baptists of North Carolina saw the need for educated ministers, and it was for the purpose of training these that Wake Forest College was established in 1834. Following soon thereafter, denominational high schools were established in various sections of the state – such as Round Hill, Fruitland and Boiling Springs in our area. The young people trained in these schools became leaders in the churches and in other community activities. And this led to the demand for tax-supported schools for all children.

The kind of education that created a demand for the training of all children is as much needed today as ever. Training without the Christian flavor fails to provide the motivation for unselfish service that is so greatly needed in this day. And we must still

look to our church supported schools for moral and spiritual leadership.

Baptists of North Carolina are now supporting seven institutions of higher learning – Chowan and Campbell in the east; Garnder-Webb and Mars HIll in the west, Meredith, Wake Forest and Wingate toward the center of the state. This puts Christian institutions supported by Baptists in reach of all people of the state. In addition to these, Southeastern Seminary, supported by the Southern Baptist Convention, is located at Wake Forest, where the first college was established in 1834.

Our Baptist colleges are anxious to be of real service to all areas of North Carolina. They urge young people to take the training they offer, and are making special efforforts to enroll Baptist young people from our high schools. We should give these institutions our support in every way we can -- our prayers, our students, and our financial aid.

Christian Literature

Workers change but the work goes on. This is the simple message from the *Biblical Recorder* this year.

Marse Grant, editor for nearly 23 years, retired September 13, his sixty-second birthday. Succeding him will be R.G. (Gene) Puckett who has served as editor of two Baptists state papers and associate editor of a third one.

He came to the *Recorder* from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, *Church and State.*

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio and Florida. He was interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the *Biblical Recorder,* primarily because mailing costs increased 160 percent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The *Recorder* has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new Recorder editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

Media Library

"The purpose of our Church Libraries is to win the lost and develop the saved."

Last year the churches reported 13 libraries. This year we are happy to report five new libraries which brings us to a total of 18 libraries. We increased in our reading, our filmstrips, our cassettes and record useage.

Let us work together to help enroll 8.5 by 1985. How do we do this? II Timothy 2:15 says "Study to shew thyself approved unto God." Work and prayer added to this will make the difference.

While at Ridgecrest this year studying library work I found a greater LOVE for my work. May we reach the other 13 churches without libraries this new year.

Our slogan for this year is "Read for Your Life."

I say to you please use your libraries for the glory of God.

Respectfully submitted,
Estelle L. Elliott, Library Chairman

Sunday School

In the coming year you are going to be hearing more and more about 8.5 by '85. This is an emphasis to have our Sunday School enrollment across the convention at 8,500,000 by 1985. It will take effort and much work, prayer planning to accomplish this.

There are many new materials that can help a church in training and preparation for Sunday School work. These can be found at the Baptist Book Store or through ordering from the book store.

May God bless each church and each person who teaches God's Word week after week.

Respectfully submitted,
Billy Honeycutt,
Sunday School Director

Cooperative Program

The cooperative efforts of all working together make our Cooperative Program work. We appreciate the efforts you have shown in giving through this program. Commitment to missions call for specific action on our part as individuals to the world mission task through serving and giving. We believe Jesus Christ is well pleased when we join together and give and serve together.

Pray for your home and foreign missionaries and live a life more like our Lord each day and pray that God will bless our churches and we will give through the Cooperative Program to win the world to Jesus Christ. The faithful stewardship of individual Christians and the missionary vision of churches can help the Cooperative Program have more to help get the work done. "Bring ye all the tithes in the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it." Malachi 3:10. Giving like God says will have a more stronger program. May we remember, "If it is to be it is up to me."

Women's Missionary Union

This has been a year of growth for Women's Missionary Union, S.B.C., and for Women's Missionary Union of North Carolina, Women's Missionary Union of the Green River Baptist Association is no exception. We are proud of the work that has been done this year. In late October 1981 Mrs. Marie Blackwell came to our association to work with the Director of Missions and the W.M.U. Director in going into the 11 churches that had no W.M.U. work. All of these churches were contacted and most of them visited. As a result, we can now report new work in four churches. Camp

Creek Baptist Church has a Baptist Women, Cane Creek Baptist Church has Baptist Women and Baptist Young Women, Fellowship Baptist Church has G.A.s and Mission Friends and Long Branch Baptist Church has Baptist Women. We are especially proud of these organizations. We still have seven churches in the association with no W.M.U. work. Your associational officers are ready and willing to help you in starting any new work or helping in any way with the work you now have.

World Day of Prayer was observed on November 1 at the Calvary Baptist Church. There were 87 in attendance.

Six people attended the Annual State W.M.U. meeting in Greensboro in March.

Our Annual Associational Meeting was held in April at Main Street Baptist Church in Spindale. Our speakers were Judy Searcy and Mary Ellen Garrett, Judy is our associational G.A. Director and spent three weeks in the summer of 1981 on a mission in Puerto Rico. Mrs. Garrett is a retired missionary living at Ridgecrest.

A seminar on Life Style Evangelism was held at Pleasant Grove Baptist Church in June. This was led by Rita Viola Justice, B.Y.W. Director for the association.

In August Mrs. James Marchman taught the book "Say No Say Yes to Change" at the Mount Vernon Baptist Church. This was for Baptist Women and Baptist Young Women. The ladies of the Sandy Run Association joined us for this.

A committee has been appointed to write the History of the Green River W.M.U. This is in preparation of the celebration of the 100th Anniversary of W.M.U. in North Carolina. This committee is composed of Wendy Case, Billie Goode and Rita Viola Justice. I'm sure they would appreciate anything that anyone might contribute to this.

The Green River W.M.U. was organized in 1897 at the Montford Cove Baptist Church. Basically, we are doing the same things today that they organized to do, Teach Missions, Support Missions and do Missions.

Our emphasis this year is "Life Changing Accountability," we are accountable to God for how we carry on his work. Let's make this year one that we will be proud of in our Bold Mission Thrust.

Respectfully submitted,
Violet Bartles, W.M.U. Director

Evangelism

Reports are still coming on the "Here's Hope" Joint Evangelistic Crusade held in March and April, 1982. Interpretation meetings were held across the state to suggest plans and basic thrusts for the Joint Crusade effort, sponsored jointly by the Baptist State Convention of North Carolina and the General Baptist State Convention. Churches conducted "People Search" and Lay Evangelism Schools, followed by local revivals. Figures to date indicate 2,932 professions and 34,266 rededications, with only 36 of our 80 associations being complete in their reporting. Comments from pastors across the state are:

Asheboro, First Baptist - "Best attended meeting in 7 years I have been here. Had excellent preparation . . ."

Tabernacle Baptist Church, Raleigh - "Best revival at Tabernacle in 42 years . . ."

Broad Ridge Baptist Church, Robeson Association - "We experienced a very deep spiritual movement in our church, the effects are still evident . . ."

Highland Baptist Church, Theron Rankin Association - "An evident manifestation of the Presence in each service . . ."

Aaron Baptist Church, Avery Association - "Several who have grown up in this church said it was the best revival they have had in at least 20 years . . ."

Hunter Hills Baptist Church, Piedmont Association - "Best attendance ever: the Holy Spirit seemed to be present with great power."

"Here's Hope North Carolina" was the theme for the thirty-sixth annual Statewide Evangelism Conference, February 8-9, 1982 in Greensboro, with 2,500 people in attendance; the best consistent attendance in recent years.

For many youth, this year a week at Caswell was the highlight of the summer, with Barry Wood teaching about discipleship during the Youth Evangelism Week. This was the year the Youth Evangelism Conference expanded to three - Asheville, Greensboro, and Fayetteville. These were tremendously successful meetings, with the largest number of youth ever attending.

As we move toward the time when Growing an Evangelistic Church will be our major planning tool and CWT will be the new witness training method, some pilot churches have started the programs. The Key Leadership meeting in Ridgecrest introduced the associational evangelism chairmen to Growing Evangelistic Churches in North Carolina.

The Statewide Evangelism Conference, will be held in Charlotte's Ovens Auditorium during February 7-8, 1983, with Dr. Wayne Ward leading Bible study; Dr. Landrum Leavell, Dr. Bo Baker, Dr. Joe Ford preaching, and Dick Baker leading the music.

On February 1, 1982, J.W. Hutchens, Jr. became the Director of the Division of Evangelism for the Baptist State Convention of North Carolina.

Baptist Homes for the Aging

I am happy to present this annual report from William Poole, Executive Director of our Baptist Homes for the Aging. It is a good report and I hope you will read it carefully and relectively.

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totaling $516,804.00, provided 57 percent of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43 percent short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we we believe that you will provide!

The only thing I would add to the report is that I pray we'll keep the ministry to our beloved aging friends ever before us. Those souls served the Lord as long as they were able and now they depend upon us even as we'll depend on those coming after us some day. May I encourage the churches to take groups to visit our home in Asheville. Go up for a visit and let those good folks show you around. You will better appreciate what we have there. If I can help in arranging for visits, please call me.

Respectfully submitted,
James O. Mattox,
Representative for Homes

Interracial Cooperation

It is our belief that the ground is level at the foot of the Cross and through the blood of Jesus believers are born into a family. God is the Father. Jesus is the elder brother. We are brothers and sisters one to another.

Martin Luther King, Jr. was right when he said, "If you just keep on loving a man, ultimately, the most prejudiced mind . . . in America will become a loving mind." To keep on loving people in the name of Jesus and to work with those who proclaim Him are vital to our mission.

We were blessed in wonderful ways through the cooperative evangelistic effort involving our State Convention and the General Convention. Through the S.B.C. we have a Race Relations Sunday each year which underlines the truth that we are "one in the spirit: we are one in the Lord."

Richard Bass

State Missions

State Missions ministries are a vital part of the world missions effort of the Baptists of North Carolina as they minister through our State Convention, 80 associations, and 3,479 churches to a great number of people with special needs.

These ministries include language work with increasing numbers of foreign born people in 17 locations with others being planned.

Approximately 40,000 migrant and 136,000 seasonal farm workers come to the state each year and work with these people is now conducted in seven associations.

Resort missions touch the lives of thousands of camper, vacationers, and tourists each year, including our own Lake Lure/Chimney Rock area.

There are ministries by special chaplains and by our Baptist Men and Baptist Women to prison inmates and their families.

Exceptional people, such as mentally and physically handicaped, are being helped to live at their maximum potential and to hear and respond to the good news of salvation through faith in Jesus Christ.

Resort Area Missions

This year our summer missionaries in the Lake Lure/Chimney Rock area were Carmen Hood from North Carolina and Julie Stewart from Kentucky. They served for 10 weeks, from June through the second week of August inclusively.

Their ministry included 20 Sunday morning worship services in two campgrounds and 19 campfire devotions on Friday and Saturday nights in two other campgrounds with puppetry, music, scripture, and testimonies. They led a weekly youth fellowship at the Lake Lure beach on Thursday nights, taught children's classes in the Chimney Rock Church Vacation Bible School, met with the church youth group each Sunday evening, and were guest speakers at Sunday evening services in two churches. They visited regularly each week in the five campgrounds in the area and in the shops distributing tracts and scripture portions and inviting people to the services.

The annual Areawide Youth Rally was planned and promoted by our missionaries and was a great success with about 170 youth in attendance from churches in the Carolina and Green River Associations.

The Rev. C. David Jones, a Fruitland student, preached on Sunday morning for eight weeks at two of our campgrounds.

About 234 youth and their leaders from nine churches in Alabama, Florida, Georgia, Kentucky, Missouri, North Carolina, and South Carolina visited our area on mission tours presenting musical programs, puppet shows, and Bible studies in the campgrounds.

The Chimney Rock Baptist Church sponsored 15 Sunday morning lakeside worship services beside Lake Lure from the Memorial Day through the Labor Day weekend with an average attendnace of 46 at each service.

We are grateful to Carmen and Julie for their commitment to this work, for the preaching of David Jones, for the counsel of Bill Brock, our Director of Missions, for the financial support of our Baptist State Convention and the churches of the Green River Association, all of whom helped to provide a witness to the love God in Christ to campers and tourists in a resort setting.

Vacation Bible School

The Green River Associational Vacation Bible School Clinic was held on April 20, 1982, at Calvary Baptist Church. Fifteen churches were represented with a total of 82 attending. Age group conferences were held for all age groups, including adults. The leaders of this conference were:

Younger Preschool - Rose Ann Shehan
Older Preschool - Gray Frady
Younger Children - Katie Lee Keever
Middle Children - Violet Bartles
Older Children - Evelyn Conner
Youth - Brenda Owens
Adults - Rev. Bill Brock
Mission V.B.S./Backyard Bible Study - Sidney Tanner
General Officers - Rita Viola Justice

Seven of these leaders attended the state Vacation Bible School Clinic in Asheville in March to better prepare themselves for leading their individual conference. It is my prayer that more of our churches will take advantage of this opportunity to come together for this time of sharing and learning to better equip ourselves in the Lord's ministry through Vacation Bible School.

During the summer months of 1982, 26 churches have reported having a Vacation Bible School. A total of 1,710 people were enrolled in these schools, with a total of 28 professions of faith. These churches have given a total of $877.49 to missions. Two churches had a Backyard Bible Club this summer.*

I have as a goal to see every church in our association having a Vacation Bible School. We need to feed those in our community with God's Word through a sound Vacation Bible School program.

May God help us do all that we can for our leaders of tomorrow and our children of today to the glory of God.

Respectfully submitted,
Rita Viola Justice
V.B.S. Director

*This shows a decrease from last year's report of 27 churches, 1,931 enrolled, 47 professions of faith and $778.07 offering.

Stewardship Committee

Your Stewardship Committee has attempted to help the financial support of the association and its churches grow during the past year through the following measures:

1. Recommending areas of cutbacks or limited spending in this year's budget.
2. Recommending a realistic budget for 1982-83.
3. Recommending the Nannie Newsome Offering for Associational Missions which was adopted by the Executive Committee and raised over $2,500.00 for support of budgeted ministries.
4. Encouraging churches to participate in Great Challenge Budget Program. Three churches had this program led by Talmadge Williams in August. Two more churches will be having the program in November. These five churches are: Green Hill, Oak Ridge, Mt. Vernon, Cane Creek, and First, Spindale. Other churches wishing to have this program should contact me for further details.

5. Conducting a Ministry Expo at this year's annual session to help messengers see the ministries supported through our associational budget.

As Stewardship chairman I attended a training conference at Caraway Conference Center in August which dealt with all areas of stewardship work. Plans for 1983 include a Stewardship Conference in February for pastors and key leaders of our churches.

Stewardship may be seen as a way of summarizing the service we render to Jesus Christ and His kingdom. Growth in stewardship means growth in the work of God's kingdom. May we all commit ourselves more fully to this task in the time God gives us on this earth.

Respectfully submitted,
Jeff Cranford, chairman,
Stewardship Committee

Church Training

Church Training continues to enjoy growth among North Carolina Baptists. Last year 19 churches within the Green River Association reported having some form of Church Training. I suspect that more churches engaged in some form of Church Training which was not reported.

Any training sponsored by a church -- Equipping Center studies, new church member training, leadership training, Baptist doctrine studies, church history studies, Christian Home Week studies, or some other type of training qualifies as Church Training whenever it may be held. Any churches engaging in these types of training are urged to report them on next year's church letter!

The association office has most of the Equipping Centers available for use by the churches. The Equipping Centers cover a wide range of subjects and all materials needed by the church in conducting a study are included. These Centers make excellent short-term studies (four to eight weeks) and are available through association office.

A Bible Drill Tournament for the association is being planned for this spring. Churches need to begin planning now for participation. Pleasant Grove Church had two participants in the regional tournament last year and one went on to the state tournament. Any churches wanting more information or help with a Bible Drill may contact me.

THEME: Reaching Out For Christ

God richly blessed your camp during the 1982 summer season. Including the staff we averaged 190 each week. This is an incrase from 183 per week in 1981. Another 2,000 youth and adults attended retreats and other church related activities during 1982.

In response to a challenging theme: "Reaching out for Christ," presented through classes and in chapel services, 443 rededicated their lives to Christ. Another 269 received Christ as Savior, of these 67 felt the leading for some type of special Christian service. In response to a challenge to pray, 1,395 committed themselves to a daily 15 minute prayer time for world missions.

Each week campers were made aware that God's plan to evangelize the whole

world involves every Christian. During Bible study, chapel services, mission films, and weekly missionary speakers, campers were challenged to pray, to give, and to go when called.

Including the lake, pool, and several cottages we had major maintenance and improvement expenses. Also printing equipment, washers and dryers were replaced or added. Therefore we ask that when churches are drawing up budgets for 1983, please prayerfully consider including South Mountain Baptist Camp.

A Building Planning Committee is now considering how to use a donation of $44,000.00 by Mr. and Mrs. Joe Byrd, Sr. of Morganton, North Carolina. For use in the fall and winter season the committee is considering a gymtorium and winterized multipurpose cottage for staff dorm during summer and retreats during the fall and winter months. Other donations are needed for this project.

Thank you for your continued support and interest in South Mountain Baptist Camp.

HIGH PLACE OF MISSIONS:

This month Brazilian Baptist commemorate the 100th year of Baptist work in that great nation. When William Buck Bagby and his wife Anna began work there on October 15, 1882, I am sure they never dreamed that from such a small beginning how the Gospel of Jesus Christ would take root and grow so rapidly. Southern Baptist can be proud of their contribution to their mission efforts around the world.

As I have read back through the minutes of the Green River Baptist Association I have been thrilled at the high esteem with which Rutherford County Baptist churches have regarded the cause of missions through the years.

In the last issue of *The Commission Magazine*, the Executive Director of the Foreign Mission Board reminds us that "our primary purpose and unifying identity as a denomination is a commitment to missions. He quotes from the Convention constitution where it states that its purpose is: "The promotion of Christian missions at home and abroad and any other objects such as Christian education, benevolent enterprises and social services which it may deem proper and advisable for the furtherance of the kingdom of God."[1]

I am proud to be associated with an association of churches that has not forgotten, but still regards the cause of missions in high priority. Most of our churches continue to increase their gifts to all mission causes through the Cooperative Program. Some continue to designate portions of this mission giving to such worthy causes as the Children's Homes, the Baptist Hospital and other Baptist institutions which is their right and privilege. In one of our churches there is a gracious little lady that continually reaffirms her interest in giving to missions through the Cooperative Program and occasionally encourages me with her word of personal testimony. In these days of inflation and economic troubles I can't think of a better place to invest our money.

In April of this year we continued our annual mission emphasis with five mission rallies conducted by the Rev. Bud Spencer, missionary to Okinawa. Participating churches were (1) West Point, (2) Bill's Creek, (3) Mount Vernon, (4) Second Baptist and (5) Spindal, First.

During the week of May 17-23 we observed our Associational Mission Emphasis. The week was highlighted by special programs and a special association mission offering. The Nannie Newsome Associational Missions offering amounted to $2,500.00 and sought to honor the name of one whose testimony for missions will long be remembered. She gave most of her life for this cause through her work in the Alexander School, the Round Hill Church, the Association W.M.U. and her personal witness in Rutherford County.

EVANGELISM:

Evangelism is a second area which our churches have sought to excell. In January our association participated in a tri-state T.V. evangelism emphasis entitled "Invitation to Life," sponsored by the Radio and T.V. Commission of the Southern Baptist Convention.

Most of our churches also participated in the statewide Here's Hope Evangelistic Campaign held in our association April 25 - May 9. Those churches that were unable to secure speakers on these dates scheduled them earlier or later, but all 31 churches participated in this evangelistic effort.

Our summer resort ministry under the direction of the Rev. Ernest Poston sought to present worshipful services and personal testimonies for the host of tourist that visit the Chimney Rock-Lake Lure area during a period of 10 weeks, June, July, and August.

There is, however, one aspect of evangelism that many of us have neglected or even ignored and this is personal evangelism - one on one, face to face witnessing. We evidently feel inadequate, fearful or even hostile to this approach which Jesus used and taught his disciples to use. Personal witnessing seems to be a dying art that should and must be reactivated if our churches are to grow. With the population increase in Western North Carolina the potential for new and larger churches is here. It is up to the Christians to enlist the lost and the unchurched in our area.

Last January our Pastors' Conference promoted a Witness Training Clinic for interested pastors and laymen. There were about 15 in attendance. Each church should promote simular programs to encourage personal witnessing and lead our laymen and laywomen to witness. This dying art must be recaptured and put into action for the cause of Christ.

TRAINING:

A third area of our work is that of training associational and church leadership, preparing new officers and teachers to do a better more efficient job. During the year the association has promoted: an Associational Key Leadership Seminar, Home and Foreign Mission Studies, January Bible Studies, V.B.S. Clinics, Church Training Leadership Workshop, and a Church Music Workshop. If the church organizations are to grow then a continuing program of church and associational training is necessary. We wish more of our people would take advantage of the training opportunities offered.

CHRISTIAN SOCIAL MINISTRIES:

We are seeing more and more the need of this ministry in our association as we become aware of social problems such as abused children, the problem of aging, and alcohol and drug abuse. Social service ministries have opened doors of opportunity to broader Christian services and our churches have responded graciously. With the founding of the Thermal Belt Youth Shelter there has been a growing interest in this ministry. This year the churches of Green River Association have contributed more than $3,500 toward the support of this work. When a recent appeal was made for additional funds to assume the cost of food and operating expenses there was an enthusiastic response.

Early in June I felt inspired to experiment with a summer camp program for needy youth. There were no budgeted funds for such a work. Without prior consultation with the Executive Committee I began to solicit funds from interested individuals, churches, church organizations and civic groups. I am happy to report that we were able to rasie over $700.00 and send 20 boys and girls to South Mountain Baptist Camp for a week in June and July. I would like to request that I be authorized to continue the same program during the summer of 1983.

In closing I wish to express my sincere appreciation to all of you who in any way have helped to encourage me and support me since my heart attack on July 16. I especially want to say a special thank you to Mrs. Rose Ann Shehan, our associational clerk and office secretary who has carried on so valiantly in my absence.

Audit Report

The Audit Committee has examined the financial records of the Green River Baptist Association. Here are our findings:

1. The records appear to be well kept, up-to-date, and in good order.
2. Reid Hill and Rose Ann Shehan should be commended for a job well done.
3. Cash in the bank checking account and in the savings account are correct.
4. We did not have any way to double check receipts from the churches. We recommend that each church audit its records, as they appear in the published minutes.
5. We could not do an audit of the final report since it was not complete at the time of the audit.
6. We recommend the following minor changes in the accounting system:
   a. Have a place in the books for the savings account.
   b. As much as possible have an invoice of some type in the records for every payment made.

c. Where possible make checks payable to an organization rather than an individual connected with the organization.

Respectfully submitted,
Audit Section of the Stewardship Committee
Frank Nanney, Chairman, Eldon Humphries,
Rupert Hodge, Mickey Waters

Earl Moseley made an amendment to the motion to send a letter of apology to the Director of Missions and the pastors of both churches stating that the Green River Associations act was not intended to cause any confusion or hard feelings between the two associa-

The amendment was seconded and the motion was passed.

Baptist Foundation Report

Have you ever received a "Mrs. Pig letter?" We want our 1983 report to be such a thank you note to North Carolina Baptists.

When our children were tots they, like other children, had their favorite story book that never was read enough to suit them. Even today as adults, they agree that *Postman of Bayberry Lane* was their favorite book. The gist of the story centered around Mrs. Pig who everyday met the postman at her mail box but to no avail. The postman felt "sorry" for Mrs. Pig because her box was always empty so he suggested she have a party and invite all the other ladies in the community, such as Mrs. Cow, Mrs. Horse, Mrs. Sheep, etc. The party was planned, the ladies came, and for days afterwards thank you notes were delivered by Mr. Postman to Mrs. Pig. So, at our house, when thank you notes are written or received, we chuckle and remember with nostalgia that these are "Mrs Pig letters."

We of the Foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists. To serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and dead and through wills is an exciting experience.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are committing a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of last fiscal year totalled $8,214,696.00. Designated new additions to trusts were $276,815.00. Income from investments of trust assests totalled $523,140.00. Investment asset market value gain during the year was $398,812.00.

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices. It has been pleasant to welcome many adult church groups who have visited the new building.

We welcome other visits or opportunities to discuss with individuals effective estate planning alternatives involving wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

Baptist Children's Homes Report

We at Baptist Children's Homes are grateful for the way our mountain churches have captured the spirit of our Lord in their desire to care for needy children. Because of your faithfulness to us we have been able to maintain our ministry at maximum levels. Thermal Belt Baptist Youth Shelter in Forest City, the Maternity Home in Asheville, Craig Home at Ridgecrest, the group care program and the emergency care program at Broyhill and the Moody Farm in Macon County all continue to meet the needs of young lives.

The heaviest demand placed upon our services continue to be in relation to emergency care. Two of the eight emergency care homes are located in western North Carolina. In these centers, located at Forest City and on the Broyhill campus, we can receive a child with very brief notice out of a desperate circumstance and meet the needs of that child up to 90 days. During this time, work is done with the family to enable the child to return or assistance is given in arranging for a more long term placement for the child. A very gracious ministry is the Maternity Home in Asheville.

The problem of teenage pregnancies is epidemic in our society. Often these girls come to us feeling that life has virtually ended for them. It is a joy to observe them finding new Christian strength and purpose to begin all over again in even more positive directions.

We are coming to be increasingly grateful for the beautiful Moody Farm in the Iotla Valley of Macon County. This 300-acre site is now being used for recreational camping by children from our units of work all across the state. As needs become evident and resources become available, we anticipate further development on this lovely property in the years ahead.

Of course the program of group care provided on the Broyhill campus continues as our lead operation in the western area. This is one of our four major group care campuses. It is always a happy privilege to welcome guests from our churches who come to visit us at Broyhill. At any time we are happy to set up a cottage tour, a showing of the film of our work, "You Needed Me," and a tour of our campus. Many groups enjoy bringing a picnic meal, having a period of recreation on the ballfield and making use of the John Johnson Chapel for a vesper service. We would be delighted to welcome your group!

From time to time positions of service become available in our ministry, especially for couples to serve as cottage parents. Others find rich service in ministering as foster homes or visiting homes. We would be happy to discuss these opportunities with you.

On July 1, 1983, the Baptist Children's Homes welcomed its new president, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth president of the Baptist Children's Homes of North Carolina and follows in a noble tradition of excellence established by the seven men who preceded him in this position. In making the announcement of Dr. Blackwell's selection, Dr. William Brown, Chairman of the Board of Trustees, said that "we firmly believe that Dr. Blackwell will continue to lead this vital ministry in an exemplary manner. His unique talents, personality and commitments will assure that this ministry remains at the vanguard of excellence in child care in meeting the challenge of resolving the hurts of children and families in need."

Dr. Blackwell served churches in both North Carolina and Virginia before assuming the presidency of the Baptist Children's Homes.

Baptist Hospital

Baptist Hospital has celebrated its 60th anniversary during 1983 by continuing to expand and improve its service.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trama center which indicated that the department offers all major services for serious injuries 24 hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year Dr. Mahan Siler, who has been with the department for 10 years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 persons and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a four percent room rate increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

NEW COLLEGE PRESIDENTS

Wingate College and Wake Forest University have elected new presidents. Dr. Paul R. Corts took office on July 1, 1983. Dr. Thomas K. Hearn, Jr., assumes the presidency of Wake Forest on October 1, 1983.

Dr. Corts has been a college teacher and administrator in Kentucky and Oklahoma. A graduate of Georgetown College and Indiana University, he is an experienced leader and author in the fields of communications and fund raising.

Dr. Hearn, an ordained Baptist minister, is a graduate of Birmingham Southern College, Southern Baptist Theological Seminary and Vanderbilt University. He has served one pastorate in Indiana. He is an experienced college teacher and administrator in Virginia and Alabama.

Congratulations to Wingate and Wake Forest! These qualified leaders join Presidents Fred B. Bentley, John E. Weems, Norman A. Wiggins, Bruce E. Whitaker and Craven E. Williams as leaders in Christian higher education for North Carolina Baptists.

SEEKING THE BAPTIST STUDENT

All of the seven North Carolina Baptist colleges want to serve more of the students

from the churches. Pastors and lay leaders can help by recommending Baptist colleges to Baptist young people.

Information about the colleges may be obtained by writing or calling the Council on Christian Higher Education or the Offices of Admissions of the individual schools.

CALLING THE ROLL IN GRATITUDE

North Carolina has been a leader among Baptists in Christian higher education for 149 years. Moral and financial support from the churches has made possible the ministry of our colleges. The Cooperative Program continues to provide health for the colleges and opportunity for young people.

Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate are grateful to North Carolina Baptists. Please continue to favor us with your young people, your gifts and your prayers.

Christian Literature Report

The *Biblical Recorder* is celebrating 150 years of service to North Carolina Baptists. Founded by Thomas Meredith while he was pastor of the Edenton Baptist Church, the *Recorder* is the fourth oldest among the 34 state Baptist papers in the Southern Baptist Convention, exceeded in age only by the Georgia, Kentucky, and Virginia papers.

The past 12 months have been a time of transition for the *Recorder*. R.G. Puckett became editor upon the retirement of Marse Grant in September, 1982. Lawrence E. High came as managing editor of the *Recorder* from the editorship of *The Maryland Baptist*. Puckett is the only man in Southern Baptist life to have served four different state Baptist papers. High and Puckett are the only team of editors who have both served as editors of other state papers before coming to North Carolina.

The cost of second-class postage threatened the very survival of the state Baptist papers in 1982, including the *Recorder*. However, with the faithful support of subscribers, assistance from the state convention and tight management of finances, the paper is now stable and as secure as possible under present economic conditions. Future costs for second-class postage are unkown and greatly feared. Your prayerful concern at this point is earnestly requested.

The format of the paper was changed to tabloid from the magazine style which had served for approximately 40 of the 150 years of the *Recorder*. Economy of production and increased space by approximately 50 percent were the deciding factors. Those readers who preferred the magazine style have generally accepted the tabloid because of the money saved and the added amount of news coverage of North Carolina and Southern Baptists.

In March, the directors of the *Recorder* approved a plan to make circulation the highest priority in 1983. Churches are urged to put the paper in the budget so that every resident family receives a copy. Club plans are available for interested persons and key leadership in the church.

The editors and staff of the *Recorder* are grateful for the opportunity to have this ministry among North Carolina Baptists. We invite your news items, letters to the editor and items of general interest to all North Carolina Baptists. Most of all, the staff requests your prayer support and faithful reading of the *Biblical Recorder*, one of the largest and most influential Baptist papers in the history of Baptists in the United States.

Sunday School Report

As Sunday School Director this past year one of the most outstanding things was our "Sunday School Rally," when so many of our people came together and had a time of fellowship and worship. Let me thank each one who helped in making our Sunday School Rally such a success.

Our convention continues to challenge our Sunday Schools on a local and individual basis, to set goals through much hard work and prayer. I am happy to report that some of our Sunday Schools have accepted this challenge and are working toward reaching 8.5 million by 1985. May we work harder for our Lord this year than ever before.

May the Lord bless each church and those who so faithfully teach His word every week.

Church Training Report

Church Training has the capability of holding a vital position in the lives of our churches today. It can serve as a tremendous vehicle for personal and corporate growth among our membership and a support for the other programs within our churches.

Of particular importance is the need for Sunday School and Church Training to have a complementary relationship. Church Training leaders need to know as much as possible about "8.5 by '85" and how the Church Training Program can play an important role in assisting the Sunday School.

On August 25, 1983, Church Training Directors from various churches in our association met together to discuss their respective Church Training Programs. Some of the topics of discussion include the various possibilities to utilize through Church Training, such as: Teacher Training; Equipping Modules; Disciple Youth; Doctrine Studies; Survival Kits for New Christians; Mission Programs; MasterLife Series; etc. Certainly, it is important for us to keep in mind that what works well for one church may not necessarily work well for another.

Plans are underway for the association's participation in the 1984 Southern Baptist Youth Speakers' Tournament and Youth Bible Drill. Each church will be receiving information regarding these two events later this fall.

If you have any questions or ideas that can aid our Church Training Programs, please feel free to call me. It is my prayer that the churches of Green River Association will take honest and sincere looks at the needs of their membership, and then see how Church Training can realistically and creatively be used to help meet those needs.

Evangelism Report

There were 4,914 revival meetings in the Baptist State Convention in 1982, an average of 1.6 per reporting church (3,069 churches). The Southern Baptist Convention had 46,520 meetings in 29,251 churches.

God is still using the revival meeting as an effective tool of Evangelism. Doubtless this instrument could be even more effective if thorough planning and preparation were emphasized and utilized.

This is the purpose of the Revival Training Seminar. We went to Key Leadership Conference in May at Ridgecrest and had a wonderful time. I hope we as an association together can work more on Evangelism in the coming years and have the action God wants us to have carrying out the Great Commission "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and lo, I am with you alway, even unto the end of the world. Amen." Matthew 28:19-20. Many times we ask ourselves what is Evangelism and rightly we do that. I think one of the best definitions is one we used in our Key Leadership Conference, "Evangelism is witnessing in the Spirit and leaving the results to God."

Cooperative Program Report

I am thankful for our association. The Green River Baptist Associaiton is part of what the Cooperative Program is all about working together, studying and giving together makes a part of our association. I Corinthians 3:9 says, "For we are labourers together with God: ye are God's husbandry, ye are God's building." Our Director of Missions, our pastors, every member and each soul can be a part of the Cooperative Program believing and doing the things God teaches in the Bible.

God teaches us to pray for all men. Pray for those in authority. If we believe "Hope is something you give," we can give hope through our Cooperative Program. Joining together and giving together through the Cooperative Program we can bring to pass the goal of giving hope to mankind. Thanks for letting us be a part of the Cooperative Program.

Christian Social Ministries

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life Committee members were trained, and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1982. The Council made available bulletin inserts, posters, world hunger calendars, and hunger bank labels in addition to free offering envelopes.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The Legislative Information Network has continued to provide reports on the work of the state's General Assembly to 800 contact persons in churches across North Carolina. Members of the L.I.N. have been especially involved with two major issues: drunk driving and the state lottery. Baptists were instrumental in securing passage of the Safe Roads Act, a tough and comprehensive package of legislation aimed at curbing drunk driving in North Carolina. Not only did Baptists call and write their legislators, but members of the L.I.N. attended committee and subcommittee meetings at the General Assembly and communicated directly with senators and representatives at crucial points during the bill's consideration. The new law, which goes into effect in October, promises to aid in the crackdown on drunken drivers. As is always the case, however, the final version of the law was not as strong as many had wished. The L.I.N. will monitor the im-

plementations of the Safe Road Act to see if further changes need to be made in the law. Baptists also played an important part in defeating a proposed state lottery. Based primarily on an anticipated revenue shortage, the state lottery was suggested as a way for the state to make money off its people's urge to gamble. The bill was defeated in the state Senate, but the state lottery is an idea certain to surface in future years, especially when financial times are tough. Other legislation covered by the L.I.N. included a package of bills to provide alternatives to prison as form of punishment, a resolution supporting a freeze in nuclear weapons, proposals to protect the states residents from hazardous wastes, and a bill to make it a crime to hold someone in slavery in North Carolina.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

A wide variety of family events was sponsored this year. Included were eight marriage enrichment retreats, including one leadership training event; one clergy couples' marriage enrichment retreat and for the first time a pre-marital retreat; nine family enrichment conferences; six singles seminars and a single adult leadership conference; three parenting workshops and a Strengthening Christian Families leadership workshop. Co-sponsored by the department were a chaplain's wives retreat; "Senior Adult" marriage enrichment and singles retreats in addition to sharing leadership in a holy land trip for senior adults. Program leadership was furnished in two Better Homes Clubs. For the first time, a domestic violence seminar was offered at the state level. Also, a Divorce Adjustment Workshop was held. Consultations by the director, assisting churches, associations and pastors' conferences in their crucial task of strengthening family life were offered. Two conferences for pastors' wives were underwritten. Family life revivals were led in two churches.

A new pamphlet, "Senior Adults and Families," was added to the Growing Christian Families series.

DEPARTMENT OF AGING

The department continued to expand its ministry to senior adults through new events and services. Five leadership workshops were conducted across the state, in addition to four major conferences/retreats held at Caraway Conference Center. Additionally, two new retreats - one for singles and the other for retired couples, were added. A senior adult tour of Egypt and the Holy Land was conducted and a statewide senior adult rally attracted a large and enthusiastic audience. Coordination between senior adult leaders and opportunities for training was provided through *Contact*, a newsletter/training resource furnished by the department to all senior adult clubs in the state convention.

W.M.U. Report

The Green River W.M.U. has had a busy year. It began with World Day of Prayer held at the Pleasant Hill Church in November. This is a day when Baptist Women of S.B.C. join with Baptist Women all over the world to pray around the clock for mission needs of the world. This is meaningful to our women who attend and we urge more of you to join us on November 7 as we meet at Main Street Baptist Church for this observance this year.

November - December and February - March were given to Foreign Missions and Home Missions Emphasis. I can't say for sure because I do not get reports from all churches (I wish I did) but I think most every church provides our Home and Foreign Missions Study. If you do not have one for lack of a teacher, contact me, teachers are always available.

In March our state meeting was held at Ridgecrest. Several of our women attended this

meeting. Our annual associational meeting was held at Round Hill. Our attendance was only fair. We urge more of you to attend our meetings. They are designed to inform, inspire and challenge. We feel that you will benefit from them. Your Director was privileged to attend the annual meeting of the W.M.U., S.B.C. in Pittsburgh this year. It was a great meeting, but held a note of sadness when Carolyn Weatherford, our Executive Director announced that we did not meet our Lottie Moon offering goal last year, so our goal has been cut. Let's work and pray together here in Green River Association to meet the April goal of $60,000.00 this year. It is so vital to our Foreign Mission work.

In May Barbara Brock taught the book "Blance Groves, Indomitable Lady" at Southern Church. For all who missed it, you were the losers. In July all of our Council members received training for the Leadership Conference held in our association at Round Hill Church on September 20. Let's all recognize the need for more training and take advantage of every training opportunity. One of the greatest training opportunities is at W.M.U. week at Ridgecrest each summer. Only four from our association availed themselves of this. Think of it, leaders, with all of us within an hours drive to Ridgecrest, consider sending someone from your church next summer.

Our emphasis for the coming year is "Partnership in Prayer a Ministry." We look forward to our work with you and if any of the Council can be of help, please call on us. Thank you for all that you are doing. "Be persistent in prayer and keep alert as you pray, giving thanks to God. Be wise in the way you act toward those who are not believers, making good use of every opportunity you have." (Colossians 4:25TEV).

Home for the Aging

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31 percent increase in that percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs.

Designated gifts of $42,274.58 brought the total NCMO support to $166,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50 percent of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees

of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity area, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Home. These rooms are desperately needed to make possible additonal beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the need and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

This one word of advice: should you be considering the homes for yourself or someone you know, plan to put your application in a year or so in advance. The waiting list is still long and continues to grow each month. If I can be of any assistance, please let me know.

Respectfully submitted,
James O. Mattox

South Mountain Baptist Camp Report

South Mountain Baptist Camp, owned and operated by churches of Region 8 of North Carolina Baptist, has been in operation for 27 years. Forty to fifty thousand campers have attended during this time. Thousands of others have attended for day camps and retreats.

Our over all motto is "Building youth for a better world."

In many ways the 1983 season was one of the best.

The 1,534 campers who attended were confronted with the responsibility of applying the Word of God to their daily living. Campers and staffers witnessed the transforming power of God as they responded to the challenge of the theme.

The Word, believed, obeyed and hid in their hearts could give them great victories over self, sin and Satan. They found that God would lead and empower them as they served as His representatives to other people.

They were reminded that our responsibility was to the whole world. They were made aware that our ministry of prayer had no geographical boundary.

There were 161 who made a profession of faith in Christ and 403 others rededicated their lives in response to His call to follow Him and live in the Word. There were 21 who felt a call to special Christian service. There were 865 who made a commitment to pray 15 minutes daily for world missions.

Construction is to begin soon on a two-story retreat center building. It will be air conditioned and heated for winter.

Since God has blessed the lives of so many at your camp, please continue to pray for us and support us generously.

Interracial Cooperation

One of the continuing needs of our area is to be in vital, dynamic and meaningful dialogue with Christians of other races. The Bible teaches that God is no respector of persons and that Jesus died to establish the family of God. We are grateful for our pastors and congregations who have undertaken the support and nurture of Vietnamese families.

We applaude those who have healthy interchange with black sister churches. We appreciate the fact that there is cooperation and support for special union services and evangelistic endeavors. God is praised when we walk together in the vision and reality of the Kingdom of God.

1983 Resort Area Missions of Chimney Rock

Our summer missionaries this year were Suzanne Carnes and Jodie Weatherwax, both from Texas and sent to us from the Texas Baptist Student Union. Their ministry consisted of 28 worship services on Sunday mornings in two of our area campgrounds and 19 campfire fellowships in two other campgrounds, featuring drama, puppetry, clowning, music, and testimonies. Through these services at least 840 persons were reached with a Christian witness in a resort setting and we know of lives changed and decisions for Christ made as a result of their efforts.

Our missionaries also led the Youth Class in the Chimney Rock Church Vacation Bible School and spoke in worship services in three area churches and also led a Sunday worship in the Church of the Exceptional.

Approximately 100 youth and their leaders from churches in the Green River and Carolina Associations attended an areawide youth rally at the Lake Lure Beach which was planned and promoted by our missionaries. The musical group SIGNS from Resort Missions of Boone sang at the rally and Jim Lambert, Area Missionary, was the speaker.

In addition to the services led by our missionaries, Chimney Rock Baptist Church conducted 15 Sunday lakeside worship services at Lake Lure from Memorial Day through Labor Day.

We are most grateful to Jodi and Suzanne for work well done.

Mr. Lester Hodge again this year most graciously provided us with a very nice automobile and all our gasoline for the entire 10 weeks, and we can not thank him enough for doing this for us for several years. Without his generosity, the work simply could not be done.

We also wish to thank our Baptist State Convention, the churches of Green River Association, the Texas Baptist Student Union, and our Home Mission Board, all of whom made our summer mission outreach possible.

State Missions Report

Across our great state from the mountains to the beaches, the Baptist churches of North Carolina through the ministries of State Missions give hope to many people with many different needs.

Hope of an education is given students in our seven Baptist colleges and universities and Baptist Student Unions bear a Christian witness in seven of our state universities. Fruitland Baptist Bible Institute gives hope and encouragement to men and women who have been called of God to Christian vocations but who are unable to attend college or seminary.

Hope for the sick and suffering is provided through the medical services of our North Carolina Baptist Hospital. Many of our senior citizens find hope for their later years through the tender, loving care of our five homes for the aging. Dependent, neglected, and troubled children and youth are given love, hope, and new opportunities in life in the care provided by four group homes, eight emergency care centers, a model day care center, a special camping program for troubled boys, a maternity home for unwed girls, and family service centers offering counseling and other help.

Baptist of all areas are given opportunities for spiritual growth and leadership training in four camps and a conference center owned and operated by North Carolina Baptists. The special needs of the mentally and physically handicapped are met through special ministries and hope is given to many other lives through the outreach of North Carolina Baptist Men and the Woman's Missionary Union.

Your gifts through the Cooperative Program and the North Carolina Missions Offering are what make it possible to give hope in the name of Christ to so many people.

Vacation Bible School Report

Vacation Bible School is an effective tool for the church to fulfill its ministries to children and their families. From Old Testament days, God's people have been commanded to teach His word. In today's society, the church must be more diligent than ever before in teaching the Word of God. In the past year, we had eight associational Vacation Bible School leaders to attend an entire day training session in Hendersonville. Coming home the van rang out with enthusiastic ideas these leaders were willing to share when they led their Associational Clinic. Then, in April, after these eight individuals had prepared their materials, 29 people attended our associational clinic, representing 11 churches. This was a decrease from 1982 when 82 attended representing 15 churches. The associational office has received reports from 17 churches having V.B.S. this summer. These 17 churches had an enrollment of 1,505, an average attendance of 1,253. A total of 30 professions of faith have been reported from these 17 churches. The missions offering totaled $915.33. I would like to express my heartfelt thanks to the Associational Team who did such a tremendous job during this year:

Library Report

The aim of a church library is to encourage the use of books for instruction and inspiration, that individuals might grow toward Christian maturity. Also, just for the joy of reading a good book.

Our churches have reported that their libraries are active, new books are being added, and one church has reported adding a cassette tape library.

Let us work and pray together that all our churches will be able to include a library in the coming year.

We had nine churches that reported to us that their libraries were active and the total books for the nine churches came to 8,000.

Respectfully submitted,
Gladys Henderson

Stewardship Chairman Report

The association sponsored a Stewardship Conference April 28, 1983 with six pastors and 12 persons present. Six churches were represented. O.D. Martin, Jr. of the Baptist State Convention led the conference.

Total budget offerings of the churches for this year was $1,790,489. This is an increase of $131,950 and a 7.9 percent increase over last year.

The churches contributed $42,685 for the support of associational missions. This is an increase of $5,873 and a 15.9 percent increase over last year.

The churches contributed $149,902 for the support of missions through the Cooperative Program. This is an increase of $3,731 and a 2.5 percent increase over last year.

Special Stewardship conferences and emphases planned for the coming year are: An associational Great Challenge program in the spring of 1984 and the Nannie Newsome Offering for associational missions in May 1983.

Our giving goals for the coming year are:

Church Budget receipts $1,969,539, a 10 percent increase

Associational Missions support $46,954, a 10 percent increase

Mission Support through the Cooperative Program $164,892, a 10 percent increase

All churches of the Southern Baptist Convention are urged to participate in a 15 year Planned Growth in Giving emphasis - 1985 - 2000 A.D.

I move that our association adopt this emphasis and encourage the churches to participate.

Respectfully submitted,
Jeff Cranford, Chairman

Brotherhood Report

Last year only 15 of our 31 churches reported having Brotherhoods. These churches reported 11 Pioneer Groups, 15 R.A. Chapters and only one Mission Action Group.

Is it because our men and boys are uninterested in learning about or participating in mission projects? I don't believe so; uninformed but not disinterested.

Interest has been expressed in work groups going to West Virginia to help construct new churches. There is need for survey groups, visitation groups, work groups for painting and preparing the churches and missions to function. Surely there are people in our association willing to help.

First Baptist of Rutherfordton has been working with the Nettie Baptist Church in Nettie, West Virginia for a year and a half, visiting, sending work groups and contributing financially. Rev. Herbert Slaughter, Director of the Central Mission Area where Nettie Church is located informs us that the church pays approximately $600.00 per month on mortgage, rent and utilities payments and needs financial help in order to call a new pastor. So far outside assistance totals:

Church Pastoral Aid from Home Mission Board	$600.00
Allegheny Baptist Association	100.00
	$700.00

A total of $600.00 per month is needed to complete the $1,300.00 minimum that the Home Mission Board requires to participate in such a project. Are there mission minded individuals, groups or churches in our association that would be willing to help this struggling church by making a monthly commitment toward the pastor's salary? If so please contact Mr. Hal Flack, Associational Brotherhood Chairman, 30 Moss Drive, Route 4, Rutherfordton, North Carolina 28139 or the associational office.

Director of Missions Report

October 1983

"ANTICIPATION"

The new associational year has already begun. In fact, we are in our third week of the new associational year which begun on October 1st. At this stage we have closed the books on 1983, and it becomes history. We now begin to gear up for 1984. What will the new year bring?

I am reminded of the situation of the Children of Israel as they awaited orientation before crossing the Jordan to possess the land the Lord had promised Moses. They had reached another milestone in their long pilgrimage and must have been wondering just what would be happening next. They had received wonderful promises from the Lord about having a new home, a permanent home. There must have been some sense of anxiety and expectancy among them. Joshua was their new leader and they awaited, perhaps a bit impatiently his orientation. Then he came forth and spoke. He gave instructions to the commanders and leaders in order that they might know how to make preparations for the tasks ahead. And then came the order to move out to possess the land.

Perhaps we also are somewhat expectant as we anticipate the coming events of 1984. We too have chosen our associational leaders for the new year and pray God's blessings on each of them as they seek to lead us. We trust that they will accept the challenge before them to go forward; advance to possess the land for our Lord and Savior. There is no place for doubt, fear, or reluctance. The commands that Joshua gave to the people were: Be strong, be courageous, be fearless and follow the law of the Lord. Therein will be successs and victory.

This month of November completes five years that I have served as your Director of Missions. I can say in all sincerity, it has been a most pleasant and rewarding experience for me.

As I take a brief glance backwards I can see some growth and progress. We have had about a 24.5 percent increase in our associational budget. For the last two years we have received more than was budgeted and I feel this is due to the greater interest our churches have shown in outreach ministries and to the fine work of the Stewardship Committee in planning, informing, challenging and reporting to our people. I express my sincere appreciation to all the members of this committee for its fine work.

Our contributions to the Cooperative Program have hit an all time high this year, jumping from $120,000 in 1980 to $150,000 in 1983 - a 25 percent increase. The missionary spirit of the church members of the Green River Baptist Association still glows brightly. God has richly blessed us and we are expressing our thanksgiving by our continuing gifts through our cooperative efforts.

Someone has said, "Attempt great things for God; expect great things from God." This is my desire for all of the eight thousand people affiliated with the 31 churches that makeup our Family of Churches of the Green River Baptist Association. I sincerely believe that God desires that we press forward knowing full well that we will encounter negativism, problems, depression and at times defeat, but I am also confident that the prizes are won by the one that attempts great things for God. I therefore challenge each of you to join me in a commitment to attempt the following goals in the Green River Baptist Association over the next five years:

1. Enroll at least 200 new prospective members per year for the next five years - i.e. 1000 more people enrolled in our Sunday Schools, and attending the churches of our association. This is an average of about seven new members per year for each church.

2. I would like for us to provide for that thousand new members by organizing (15) new units - i.e. mission points, new Sunday School classes and Church Training units in the seven townships that make up the area of our association.
3. In the famous words of Martin Luther King, "I have a dream, a wonderful dream." I have dreamed of that day when Green River Association will have a home of its own; land on which we can build an adequate building on the ground level; a central place where we can come together for our fellowship, our planning and our meetings. I dream of an associational facility that we will be proud of that will better serve all of the people affiliated in our family of churches and the community at large - Dream the dream with me.
4. Since we are Missionary Baptist, and missions are at the heart of our Baptist program I am most desirous of seeing our association broaden and increase its ministry to the members of our churches; to the unchurched and lost of our communities. We already have our Resort Ministry to tourists at Lake Lure and Chimney Rock during June and July; our assistance to youth through the Thermal Belt Youth Shelter, and our Summer Camp Program to needy boys and girls ages 6-17. We have sought to minister to our senior citizens and others through our "recreational tours," but I feel we still have much that needs to be done in the area of associational missions.

   What about the multitude of "young people" in the area that get married, have children and go about their daily activities, but who are lost and do not worship in any church? What are we doing to reach them?

   What about our ministry to the "handicapped;" the blind, the deaf, the paralitics who are confined to a bed or wheel chair? What provisions are we making to reach them?

   What are we doing to minister to the growing number of "singles" in our community?

   In spite of the literacy programs going on in the area there is a large group of people unable to read and write. I would like for our churches to help find those people whether they are black or white and meet their needs through the church. Let's reach out and touch some of these lives for Christ.
5. Then I observe a need to have in our association a group of well qualified, trained, certified leaders who can carry on a program of continuing education for leaders in Sunday School, Church Training, in W.M.U., Brotherhood and other missionary organizations of the churches. Will you join me in helping to provide this trained leadership for our association?
6. Last, but not least, let us continue to press forward in the Bold Mission Thrust to bring the gospel message to a lost world by the year 2000. In five more years let us strive to increase our Cooperative Program gifts so as to reach a goal of $250,000 per year.

The Green River Baptist Associaiton is 143 years old. With renewed vision and vigor let us go forth for our Lord, anticipating His leadership and blessings.

Respectfully submitted,
Bill Brock

It was reported that a committtee had been appointed to discuss the need of a copier. The committee members were: Terry Bird, Dean Majette, Ernest Poston, and Billy Honeycutt. The committee reported that a copier would be convenient for the work of the association, but in light of the cost and expense of the machine, and based on the expected use of the copier, the committee felt that it would not be practical at this time to purchase a machine. Therefore, it is the unanimous recommendation of this committee that a copy machine not be purchased.

Baptist Foundation Report

In the midst of our attention to space exploration, adventures of science fiction personalities, and the real-life exploits of astronauts, the lovable character, "E.T." was born. He became the object of our sympathy and affection, as well as the source of revenue for his creators. For the North Carolina Baptist Foundation, the letters "E.T." have taken on another and especially significant meaning during the year 1983-84. The most exciting new idea was the creation of the Endowment Trust - Everybody's Trust. It is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust. Each of us wishes we *could* continue our witness forever. We know that we *should* plan for such continuing witness. And now each of us *can* participate in permanent support of our particular Baptist interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine (usually $1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year - forever!

The potential?

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

If 1,000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach!

One example is worth a million descriptive words. Just a few months ago, a widow in Thomasville created an Endowment Trust in memory of her husband. Her initial gift was $100. At Christmas, she and her children added to the trust. As this report is being written, five checks totaling $300 to be placed in the trust have arrived from this family "in memory of him on Father's Day!" Surely a more loving and significant gesture is difficult to find. Each of us has equal access to such joy!

The impact of the E.T. Trust and the increasing awareness that we each have a responsibility for the eternal use of our material resources has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value of assets managed by the foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts - income which is paid out to Baptist causes or annuitants - was over $534,000 last year. A half-million dollars distributed, much of it in the name of persons no longer living here on earth!

Rapidly increasing and ever evident in this past year is the service rendered as executor of estates and through exercising power of attorney. This is a service which the foundation happily affords and which will soon be expanded when a staff person will be assigned this responsibility.

No author of science fiction generates more excitement than you who make commitment of self and substance for the Lord's work - forever! The foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship of those resources which you leave after life on earth ceases.

Rev. Earl Moseley

Library Report

In ever active, progressive Baptist churches there are calls for material to meet the needs of individual members and here is where a well-organized library comes in.

The library services should be for all ages, with the church leadership using these services more than ever before.

Only one third of the churches in our association reported having libraries. We need more. Your library committee offers services helping you begin a library. Feel free to call for help.

Baptist Hospital Report

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatients clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in perinatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate and in a 15 percent reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertebral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the section on urology. It uses ultrasound to break up stones of the urinary tract so that, in many instances, surgery is not necessary.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to $515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from $20 to $21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

Baptist Children's Homes Report

Often our mountains are called "The Land of Four Seasons." In relation to Baptist Children's Homes our area is soon to become the land of four residential services for needy boys and girls.

Our lead service will continue to be the ministry provided by Broyhill Baptist Children's Home at Clyde. The beautiful chalet style cottages clustered around the lake, nestled in our mountain cove, provide one of the loveliest settings to be found anywhere in the world. This year approximately 75 children have been served in this beautiful facility.

Our second program of residential care is the Maternity Home in Asheville. More than 30 girls will be served through this redemptive ministry this year.

An indication of the quality Christian care provided is the commitment of the

caring staff. The regular houseparents are Frances and Alvoid Foxx of Brevard. In spite of their Maternity Home schedule, the Foxxes still maintain such a close relationship with the Turkey Creek Baptist Church in Brevard that Alvoid continues to serve as an active deacon.

With all of our lovely facilities, an even greater asset is our dedicated Christian staff.

Our third residential service is emergency care at Haywood Cottage on the Broyhill campus and Thermal Belt Baptist Youth Shelter in Forest City. At both of these facilities a child can come in at a moment's notice and be cared for while things stabilize at home or while a long-term placement is being arranged. The stresses of our day have made this ministry the most in demand of all of the services we offer.

Now our fourth residential service is on the horizon. This will be a ministry for children who have suffered unusual degrees of abuse and neglect, making the intensity of life on a campus, with a number of children, difficult. Moody Farm Ministries in Macon County is being developed especially for these boys and girls.

Currently we are at the task of raising $500,000 to complete the first stage of construction, and we project that by October 1985 we will have children in care.

In the "Land of Four Seasons" these four residential services are there for needy children because of our wonderful Christian friends who have been "instant in-season" in meeting the needs.

We continue to praise our Lord for the faithfulness for the Baptists of North Carolina who have supported this child care ministry for almost one hundred years with their prayers, concerns, understanding and financial resources.

Resort Area Missions of Chimney Rock

During their 10 weeks of ministry in the Lake Lure/Chimney Rock area, our summer missionaries, Brenda Burton and Rhonda Rhodes, conducted 20 campground fellowships in two campgrounds on Friday and Saturday evenings and led 20 worship services on Sunday mornings in two services. Brenda and Rhonda also visited regularly in the campgrounds and distributed tracts and Scripture portions in the campgrounds, motels, and restaurants.

Our missionaries also spoke at worship services in four churches and led the worship service and taught classes in Bible and music in the Chimney Rock Vacation Bible School.

Lakeside worship services, sponsored by the Chimney Rock Baptist Church, are held every Sunday morning beside Lake Lure from the Memorial Day through the Labor Day weekends. Through August 12, attendance at these services totaled 452.

Much appreciation is again due to Mr. Lester Hodge who supplied our missionaries with an automobile and gasoline for their ministry.

To the churches of the Green River Association, whose gifts make our resort ministry possible, and to Baptist State Convention for providing for the salaries and expenses for our missionaries, we say thank you for the opportunity to present the gospel of Jesus Christ to people in a resort setting.

State Missions Report

The Division of Missions of our Baptist State Convention includes the following departments of ministry: Associational Development, Brotherhood, Chaplaincy and Language Ministries, Church Extension, Cooperative Ministries and Seminary Extension, Deaf Ministries, Fruitland Baptist Bible Institute, and Special Ministries.

Associational Development provides encouragement and assistance to the 79 associations in the state in the development of programs to meet local needs and opportunities. Forty-six associations receive financial aid and there are eleven full-time and seven part-time Christian Social Ministry programs. This department also reaches the resort and recreational areas of the state through Resort Ministries.

The basic task of the Brotherhood is to involve men and boys in mission study and activity through leadership training, conferences and retreats, Royal Ambassador camps, and the promotion of the work of NC Baptist Men.

Chaplaincy and Language Ministries provide prison chaplains for Central Prison and the Women's Correction Center in Raleigh and ministries to migrant workers and various ethnic groups throughout the state.

Church Extension provides churches with pastoral financial aid, site assistance, building loans, help in adjusting to changing communities, and associational surveys.

Cooperative Ministries and Seminary Extension works with the General Baptist Convention of North Carolina in providing summer youth ministries, student aid, campus ministries, and seminary extension centers including twelve prison units.

Deaf Ministries provide Bible Study for the hearing impaired, sign language workshops, and one on one ministries to deaf individuals.

Fruitland Baptist Bible Institute gives hope and encouragement to men and women who have been called of God to Christian vocations but who are unable to attend college or seminary.

The Special Ministries Department has the responsibility of helping churches become aware of and minister to the needs of those who are mentally or visually handicapped and their family members.

In addition to these many ministries, three area missionaries serve in the northwestern, southwestern, and northeastern sections of the state, and a missionary coordinator is serving in West Virginia.

Cooperative Program Report

I Cor. 3:9

Materials have been prepared and distributed to aid the churches in emphasizing missions support through the Cooperative Program.

Every church is encouraged to select a church task force to lead in planning an appropriate planned growth in giving in the church and Cooperative Program participation.

The Green River Baptist Association is part of what the Cooperative Program is all about - working and giving together. Our Director of Missions, pastors and every member can be a part of the Cooperative Program believing and doing the things God teaches us. By joining together and giving together through the Cooperative Program we can continue to bring to pass the Commission Christ gave.

We can accomplish together through the Coopertive Program what we cannot do alone. Be a part of the total program of Christ and His Kingdom. Thanks for being a part of the Cooperative Program this past year. Let's increase our percentage of cooperative giving to accomplish our portion of Christ's Commission.

Rev. B.C. McMurray

Homes for the Aging

Through many special individuals, blessings of great significance are coming to the Baptist Retirement Homes.

Through this annual report, I want to share with you some of the events and activities that are blessing the lives of residents through the special people who are giving unselfishly of themselves to the ministry of the Baptist Retirement Homes. Heading the list of special people are you - North Carolina Baptists. From October 1983 - April 1984, you gave 26.3 percent of the homes total income through your Cooperative Program, North Carolina Missions Offering and special gifts. This support covered 77 percent of the homes' benevolent care ministry. Benevolent care projec-

tions for the fiscal year ending September 30, 1984, are running at about $1,000,000. Mission gifts, it appears, will fall short of the need by some $250,000. During the 1983 fiscal year, mission support was $306,000 less than the need. Currently, approximately 40 percent of the residents in the five homes are able to cover their full cost of care. Ten percent of the Nursing Care residents underwrite their full cost of care. As you can see, your mission gifts are vital to the benevolent care ministry of the Retirement Homes. The 1983 change in the homes' Cooperative Program allocation greatly added to the support which you have given. May I add that your prayer support, your personal encouragement and visits are also greatly appreciated because they mean so much to the residents, staff, and to the ongoing effective ministry of the homes.

To effectively operate a $3.2 million ministry takes a diverse group of individuals looking from many different perspectives at financing, planning, upkeep, development, etc. One special group of these individuals are the trustees who you have elected. These 20 individuals are your voice in the overall operations of the homes' ministry. Numerous major decisions have been made by the board in the last several months. These decisions have launched a Capital Funds Campaign - "A Call to Remember . . .," revised admission policies, secured consulting services to review the total operations of the homes. Members of the trustees are comprising a Search Committee to locate my successor upon my retirement in October 1985. The board's expectations of the SunHealth's consultants are coming to reality and many recommendations are being considered to provide the homes' ministry in more effective ways. In an effort to more effectively depict the ministry which the homes are rendering, the trustees voted to change the homes' name to the Baptist Retirement Homes of North Carolina, Inc. The name change was approved by the convention during the 1983 session. I'm grateful for each of our trustees. They are rendering an invaluable service and ministry to older adults through their commitment to the ministry of the Retirement Homes.

Operating expenses for the homes' ministry increased approximately three percent during the 1983 fiscal year. Currently, expenses are running 3.6 percent ahead of the same period last year. The 220 Baptist Homes' employees are responsible for such a modest increase. They are truly a special part of the homes' ministry with older persons. Faithful staff members and their dedication to the homes and the residents add an important plus as the homes minister with older persons.

During the past months, another group of important people have come together for a special purpose and work in the life of the Retirement Homes. For the first time in the homes' history, a statewide Capital Funds Campaign has been undertaken. Fred Lovette, retired president and chairman of the board for Holly Farms, has given unselfishly of his time to pull together key leaders across North Carolina to formulate an advisory team and leadership people to raise $2½ million through the "A Call To Remember . . ." Campaign. Through the efforts of Fred and many other individuals, many new friends have been made. Gifts to the "A Call to Remember . . ." Campaign are going to be used to renovate and update the Hayes Home facility. Plans include a new kitchen facility, support facilities for the Nursing Care Unit, and improvements to the grounds of the Hayes Home Campus.

In closing, we must realize that long-term care of older persons means just that. Life expectancy figures indicate that the homes can anticipate providing approximately eight years of care of 80 year old residents. Also, the growing segment of our populations is the 65 plus group. I feel that as Baptists we want to be on the cutting edge of an effective ministry with this growing group of individuals. Through your continued support, the work of trustees and the continued effective service of the staff, we can be and must be the hope for many older people in our state. I trust your support and encouragement will grow in proportion to the needs that we have as a ministry with older persons. Our doors are always open to your visits, calls and

inquiries for admissions, etc. Please let us hear from you that together we might work to be an effective ministry for our Lord.

The homes' 33 year heritage has been marked by the deepest concern and the most genuine of Christian love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our mission is challenging as we endeavor to meet the growing needs of our older population. Truly, our future is as bright as the promises of God Himself and the love and support that you give as North Carolina Baptists.

This report is just as it came to me from William A. Poole, president of our Baptist Retirement Homes, and I would not add or detract one word except to express my deep appreciation to him and his great host of workers for all they are doing to encourage us to do our part in this great ministry.

Respectfully submitted,
Rev. J.O. Mattox

Church Training Report

Church Training has shown some growth this year among our association; yet, it still remains as one of the greatest untapped sources for personal and corporate growth among our churches. There are many avenues of training that are available with excellent resource materials and guidelines.

The involvement of youth in Church Training is an extremely exciting opportunity. "Disciple Youth," the Youth Bible Drill, and the Youth Speakers' Tournament are just a few of the possibilities to utilize. This past year, our association had two children who participated in the Regional Children's Bible Drill.

The available training opportunities of Church Training are widespread, but the purpose is single-fold - to better train and equip God's people to serve Him and lead more fulfilling lives. May the churches of Green River Baptist Association reach out more in the future to prepare their members through Church Training.

Respectfully submitted,
Tonya D. Hill, Director

Sunday School Report

The Sunday School has as its mission the task of: 1) Reaching people for Bible Study, 2) Teaching the Bible, 3) Witnessing to people about Christ and leading them into church membership, 4) Ministering to Sunday School members and new members, 5) Leading members to worship, 6) Interpreting and undergirding the work of the church and the denomination. The Sunday School is the church at work.

We have many materials which are designed to help us in doing the work of the Sunday School. To help you understand how to use these materials more effectively and to better accomplish the task of the Sunday School an associational ASSISTeam is going to be enlisted and trained. The ASSISTeam of Green River Association will then be available to help any church in doing the work of the Sunday School better.

God bless each church and each person as together we reach out in love to people around us with the Word of God.

Christian Education

The Council on Christian Higher Education has made a study to try to find out the real advantages of attending a Christian college or university. It determined that it is a place for study, a place for growing in SPIRITUAL and intellectual maturity, and a place where life continues and futures are shaped.

This same report says that Baptist colleges are worth what they cost because they offer:

1. A good, comprehensive educational experience.
2. An atmosphere of Christian trust and loving concern.
3. The challenge to think and to distinguish among values.
4. An understanding of the place of faith, and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal and intellectual growth are encouraged.
6. The opportunity to become familiar with the great ideas and cultures of the past.
7. The motivation to develop a Christian worldwide view facing the uncertainties of the future and for resisting the claims of rivals of Christian thought.

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist colleges. It will make a world of difference in their lives.

Let us Baptists continue to support our colleges with our young people, our gifts, and our prayers.

J.J. Tarlton

Evangelism Report

We are told that only three percent of all the lost people come to our churches on their own. This means that 97 percent are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus.

All Baptists are urged to participate in the "Good News America, God Loves You" revival in March and April 1986. The revival dates for the areas are: Eastern, March 9-16; Piedmont, March 23-30; and Western, April 6-13, 1986. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1986. *Our association voted to participate in this effort. Our dates would be April 6-13, 1986. Our prayer is that each one of our churches in the association will participate.*

In February, in the midst of a snowstorm, the statewide Evangelism Conference was held at War Memorial Auditorium, Greensboro. Dr. Claude Rhea led the music and Dr. Jess Moody, D.L. Lowrie, Dr. Doug Watterson, Dr. Grady Wilson, Laura Allen, and Dr. Gardner Taylor preached to the 2,500 in attendance. On February 4-5, 1985 the 39th Conference will be held in Greensboro with Joe Ann Shelton leading the music, Dr. Bill Tanner, Dr. James Pleitz, Dr. F.G. Sampson, Dr. John Sullivan and Dr. John Bisagno bringing the messages.

With baptisms down this year, let's pray God will use each of us to win one person in 1984-85.

Respectfully submitted,
Rev. W. Tom Frady

WMU Report

I appreciate the work that has been done in our churches in Women's Missionary Union. Out of our 31 churches, 24 have organized mission work. This is good but not good enough. Your associational WMU Council is ready and anxious to help you in any way. We would love to help organize new work or help you to promote growth in your church.

We observed World Day of Prayer in November. A project of North Carolina WMU is to give to the North Carolina Correctional Center for Women in Raleigh, at Christmas. Our association gave $55.00 to this.

Both Foreign and Home Missions offerings and weeks of prayer were promoted and observed by our churches. WMU Focus was observed in our churches. The State WMU Annual Meeting was held in Fayetteville in March. A number of our ladies attended. Our own associational WMU Annual Meeting was held with the Mountain View (R) Church. A good number was in attendance there. I would like to say a special thanks to Wendy Case, who was then the associate director, for a great job of taking over on a short notice and carrying out the theme in fine fashion.

The Acteens had a Prayer Retreat in September at the Whitehouse Community Center. The theme: "God's Promises." Tom and Marsha Lineburger from South Mountain Baptist Camp were there to lead.

The GA's had an associational Mission Action study in May at the Second Baptist Church.

The Mission Friends directors and leaders enjoyed a salad supper and a fellowship in April at Second Baptist Church.

As we face a new year, our theme for WMU (SBC) is "By Love Compelled." Our North Carolina theme is "Come Grow With Us." Because love is a compelling force in our lives, in the Green River Association, we want to Grow to the Glory of God.

Respectfully submitted,
Mrs. Violet Bartles, Director

1984 *Biblical Recorder* Report

History was made last year when the ***Biblical Recorder***, fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. And history was made again in 1984 when for the first time in more than 72 years, the ***Recorder*** moved into its own building, becoming the fourth state paper to have its own building.

In February 1912, the ***Recorder*** moved into its own building in the heart of Raleigh. In July 1984, the paper moved into its own building in the middle of one of the fastest growing areas of the capital city. Coming to Raleigh in 1838 from New Bern, the ***Recorder*** is the oldest business in Raleigh and exceeded in terms of operations in Raleigh only by Brown-Wynne Funeral Home which began in 1836.

The business of the ***Biblical Recorder*** is the Lord's business! Since it was founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the ***Recorder*** is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For a third consecutive year, subscription rates will NOT be raised. In 1982, a gigantic increase in the cost of second-class postage (260 percent) necessitated the increase in subscription rates but now that the rates have moderated some (they are still 80 percent higher than 1981) and the new Biblical Recorder Building was entered debt-free, the paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation and manipulation in our time that Baptist need a source of news that can be trusted to present the facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where differing views can be expressed. Many so-called Baptist papers provide only one point of view; they do not permit an exchange of ideas and perspectives. The *Biblical Recorder* does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful *Recorder* reader" sounds like an impossible dream, but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people, not just a limited few. We are grateful for the support we have received across the years and request your continued prayers, support and readership. We continue our march toward making the *Biblical Recorder* the best state paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

VBS Report

1984 was a better year for Green River Vacation Bible School than 1983, but we can do more! In 1984, we more than doubled our attendance at our associational clinic than 1983 - from 25 to 59. But in both years, we had less than 50 percent of the associational churches represented. Surely next year we can do better.

On March 1, eight dedicated leaders attended the State VBS Clinic at Mulberry Baptist Church in Charlotte. Without these leaders, no clinic would have been possible. My sincere thanks to the following: Louise Myers, Middle Preschool; Madge Haughn, Older Preschool; Nola Wilson, Younger Children; Evelyn Conner, Middle Children; Rose Ann Shehan, Older Children; Rev. Neal Efird, Youth; Rev. Sidney Tanner, General Officers; and Rev. John Perry, VBS/Backyard Bible Clubs.

We have tried several changes to increase attendance. First, our associational clinic was held one month later than the prior year, because by May we felt more churches would have chosen their leaders and have their preparation made. Second, we offered different leaders to shed new insights and ideas to those attending various classes. Thirdly, we stressed the importance of each church reporting their VBS to the associational office. Our changes were successful for the first two, but failed on the third change. We only had 15 churches reporting having Vacation Bible School - less than half the churches of our association. And more shocking, this trend has occurred statewide. There were 161 fewer churches in the state having VBS in 1983 than in 1982 and 8,222 fewere children in North Carolina attended VBS in 1983 than in 1982.

Our hope for the future lies in the VBS Link-Up Plan that is an associational strategy for helping every church in the association conduct a VBS. In the VBS Link-

Up Plan, a church that has resources and wants to help another church plan and conduct a VBS is linked by the association to a small church needing help. By using this plan, in 1985 we hope to report that every church in our association has attended the associational clinic and has had a Vacation Bible School.

Respectfully submitted,
Rita Viola Justice, VBS Director

Director of Missions Report

The past year has been a year of challenge for me personally, and for the associational officers collectively, as they have worked to fill the gaps in service caused by my personal infirmity. On April 17 of this year, I underwent surgery for the removal of a benign brain tumor. While still in the Nashville, Tennessee Baptist Hospital, a second surgery was performed to repair the damaged facial nerve. I'm definitely improving and hope that the first of the year will find me in back-to-normal condition. I returned to work at the associational office in June and thanks to the competence of our good secretary, Mrs. Rose Ann Shehan, the work has continued without major lapses.

The association has participated in several programs in the past year: the November and December Foreign Mission Emphasis was enhanced by the showing of the new film "Journey Home - Lottie Moon of China." The associational office was able to book this film into six of our churches: Southern, Mt. Vernon, First Baptist Rutherfordton, Second Baptist Rutherfordton, Round Hill and Mountain Creek.

Pastors of the Green River Baptist Association were treated to a tour of the Rutherford Hospital facilities and a stimulating discussion of the hospital plans for future service in our county. Lunch was also served at this February excursion.

Green River Vacation Bible School leaders went to Charlotte for the preparation studies this year. Our local VBS Clinic was held in the First Baptist Church, Spindale. Mrs. Ruth Prince of the Church Training Department of the North Carolina Baptist State Convention spent four days with our association. Four churches used this opportunity to upgrade their church training programs.

Rev. John Perry, chairman of the Social Services Committee of the association worked with the Reverend Billy Honeycutt and the Reverend Ron Tosto and the Reverend Michael Jones to see that 22 children (17 boys and 5 girls) participated in the South Mountain Baptist Youth Camp this summer. We also wish to acknowledge the help of the public health nurses, and school principals and social service workers in helping us to select the children who could receive the most benefit from this summer mission outreach program. Appreciation also goes to the individuals and churches who helped to finance this program. (Refer to page 38 of this booklet for a financial statement of this program.)

The associational office continues to serve the churches with:

1. Preparation of church bulletins and programs
2. Library offering Equipping Centers, audio-visual equipment and materials, publications of the Sunday School Board for reference use, pamphlets for distribution, and books
3. Resource materials for Pastor Search committees including a file of current resumes

A special study seminar "Great Challenge" was led by the Reverend Talmadge Williams. Once again the group present stated their priorities as being:

1. Family Life Ministry
2. Purchase of land and building for associational office
3. Outreach Ministry
4. Youth Ministry
5. Social Service Ministry

To implement the stated goals of the Green River Association churches, we shall start a five year emphasis on the *Christian Family in Today's World.* Please plan to participate fully in this endeavor to strengthen our homes. The first conference will be held in *the fall of 1985.*

It is time for another World Mission Conference! The Reverend Billy Honeycutt is the associational director for this conference. Mark your calendar for April 21-24, 1985 when we can focus together on the total mission outreach of Southern Baptists, as foreign, home and state missionaries share their work with us.

Thank you for your prayers, concern and encouragement during this difficult year.

Respectfully submitted,
Lonnie R. Brock, Jr. (Bill)

Missions Committee Report

Brother Moderator, Messengers and Guests,

The Missions Committee identified an area of need in our association as being trailer parks. At least three surveys were made with the residents of two parks requesting outreach Bible Study classes and one requesting Vacation Bible School opportunities. This is a case of "a field white unto harvest" but with few laborers. This coming year we hope to challenge churches to implement specific plans for these opportunities for ministry.

Under the direction of Bill Brock, John Perry, Billy Honeycutt and Ron Tosto, 27 boys and girls were given the opportunity to attend South Mountain Baptist Camp. These boys and girls could not have gone except for the support of churches, interested groups and individuals.

For several months now a Pastors Support/Share Group has been meeting, which is beneficial to those participating and is open to all periodically. Also there has been a request for a pastors and wives enrichment retreat in the near future.

The Thermal Belt Baptist Youth Shelter in Forest City continues to operate at capacity with two house parents and six boys and/or youth in care. These needy ones come from homes where there is neglect and abuse or both. The program and staff for the facility are provided by the Baptist Children's Homes of North Carolina and the upkeep and maintenance are the responsibility of churches in the Green River, Sandy Run and Polk associations. We express deep appreciation to churches, individuals and groups in our association for their faithful prayers, support and work in this redemptive ministry "to the least of these" in the name of Jesus.

Respectfully submitted,
Richard Bass

Executive Committee

JANUARY 1984 QUARTERLY MEETING

The Green River Baptist Association met Tuesday, January 10, 1984, at 7:30 p.m. at the First Baptist Church, Rutherfordton.

Before the meeting was called to order, the Reverend Bill Brock distributed population census reports for each church community to the respective church representatives. These reports were compiled by Ernest C. Upchurch, Bureau of Census, U.S. Department of Commerce and North Carolina Research and Planning Statistics of the State Budget office.

Rev. Brock asked our music director, Mr. Gregg Wright, to lead us in a congregational hymn. The congregation sang "What a Friend We Have in Jesus," accompanied by Mrs. Linda Camper, associational pianist.

Rev. John Perry, vice moderator, called on Dr. Earl Moseley to lead in prayer.

The roll was called with 24 present representing 12 churches.

The minutes of the August 1983 meeting were read and approved.

The Treasurer's Report was read and approved.

Dr. Bob Morris, Budget Committee chairman, informed the Executive Committee that the insurance coverage on Rev. Brock's health and life insurance had been increased by the state convention and that the budget needed to be reconsidered to cover this increase.

Dr. Morris recommended that $400.00 from the Director of Missions convention expenses and $200.00 from the Key Leadership Retreat expense be reallocated to help defray the insurance increase. The increase was a total of $835.22. With the reallocations $235.22 would have to be built into the budget to cover this increase unless toward the end of the associational year funds that have not been used in other budget categories can be reallocated to cover this $235.22 increase.

Dr. Earl Moseley moved that we accept this recommendation, the motion was seconded and carried unanimously.

Rev. Brock gave his Director of Missions Report.

CHURCH NEWS

Dr. Earl Moseley reported the Second Baptist Church had been experiencing revival since the new year began.

Rev. B.C. McMurray reported that Fellowship Baptist Church had also been experiencing revival and that they had five waiting baptismal.

The meeting was adjourned with Rev. John Perry dismissing in prayer.

APRIL 1984 QUARTERLY MEETING

The Green River Baptist Association Executive Committee met Monday, April 2, at 7:30 p.m. at First Baptist Church, Rutherfordton.

The Reverend B.C. McMurray led the congregation in singing "Stand Up, Stand Up for Jesus," accompanied by Mrs. McMurray.

The Reverend John Perry called on Dr. Jeff Cranford to lead in prayer.

The roll was called with 24 present representing 15 churches.

The minutes of the previous meeting were read and approved.

The Reverend Billy Honeycutt presented the following names to be elected to office for the coming associational year:

Mr. Gregg Wright - Music Director
Rev. Sidney Tanner - Sunday School Director
Mr. Harrill Flack - Brotherhood Director
Mrs. Violet Bartles - WMU Director
Ms. Rita Justice - VBS Director
Dr. Jeff Cranford - Stewardship Chairman

The vote was unanimous to elect the officers that were presented.

Dr. Jeff Cranford reported from the Stewardship Committee. He reported that the association would be having a Great Challenge Stewardship Dinner with the Reverend Talmage Williams leading this meeting. The meeting would be to help the association to decide what ministries need to be reached and how to plan the budget to reach these ministries. He urged all that were present plus the pastor of each church and three other members of each church to attend this April 10 meeting.

The Reverend Bill Brock brought the name of Rev. Richard Bass to the committee to be elected as representative to the Board of Trustees of the Thermal Belt Youth Shelter. The vote was unanimous to elect Rev. Bass as this representative.

The Reverend Bill Brock gave his Director of Missions Report.

Special prayer was rendered by the Reverend J.O. Mattox for the following:

Mr. Eulas Davis, a member of Spindale First Baptist and an active member of our association, suffered a heart attack on March

16 and has been unconscientious since that date.

Members of the family of a deacon from Spindale First Baptist that passed away recently.

Two ladies from Second Baptist Church who are in the hospital in serious condition.

Bill Brock for his coming surgery.

After this prayer the meeting was adjourned.

MAY 31, 1984 (Called Meeting)

The Green River Baptist Association Executive Committee met May 31, 1984 for a called meeting beginning at 7:30 p.m. at First Baptist Church, Rutherfordton.

The roll was called with 19 members present representing 13 churches.

At this time Rose Ann Shehan presented a recommendation to have a gospel singing to raise money for our ongoing building fund. It was recommended that the Kingsboys be the featured guest at a cost of $500.00 for a date of Saturday, August 4. Also included in the recommendation was a proposal to have a concession area during intermission and that a program booklet be printed with ads being sold to make up part of this program and with a history of the association and pictures of the guest performers to make up the remaining portion also with proceeds from these additional projects going to the building fund.

A motion was made and seconded. After much discussion pro and con an amendment was made to hold a three to five day revival with guest speakers and singers and to take an offering each night to be contributed to the association building fund. This amendment did not pass so it was therefore dropped.

After further discussion a vote was taken with nine in favor of having the fund raising project and six opposed.

The meeting was adjourned.

AUGUST 1984 QUARTERLY MEETING

The Executive Committee of the Green River Baptist Association met Monday, August 6, 1984, 7:30 p.m. at First Baptist Church, Rutherfordton.

NEW BUSINESS

A motion was made and seconded to have a World Missions Conference April 21-24 1985. The motion carried.

A report on our summer camp program for needy children was given. It was reported that five girls and 17 boys were sent to camp for one week in July. All the funds were made available by churches within our association. It was reported that several of the children did make a profession of faith while they were at camp.

A motion was made and seconded to participate in the Good News America Crusade to be held April 6-13, 1986. The motion carried.

The Reverend Ernest Poston reported that the Budget Committee ordinarily would present a proposed budget at this meeting but due to several of the committee members having to resign, the budget had not been completed as yet. Rev. Poston reported that a meeting of the entire Stewardship Committee had been called to plan the budget for the coming year.

Rev. Poston also reported on our Resort Ministry Program. He reported that two fine girls from Kentucky were serving this year and were doing a great job.

The Reverend Bill Brock reported that the Thermal Belt Youth Shelter had been redecorated and that Grindstaff's did a good job with this. He also reported that the

Dodsons, houseparents, were doing a great job in running the Youth Shelter.

Rose Ann Shehan gave a report on the Gospel Singing that was held August 4. It was reported that $500.00 was profitted by this singing that would be donated to the building fund.

It was decided to change our Ministerial Day to March 24 so as not to conflict with our World Missions Conference.

Rev. Brock expressed his appreciation to the association for their concern and prayers during his illness and his recuperation period.

The meeting was adjourned with Rev. Ron Tosto dismissing in prayer.

Reports

CHRISTIAN LITERATURE REPORT

This past year has been one of the very best for the people who comprise the Baptist State Convention of North Carolina, and because the **Biblical Recorder** is a member of that family of God, it has enjoyed a good year also, perhaps the best in its history.

Readership appears to be very high. Comments, letters and other communications with the paper indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains unchanged today.

Tar Heel Baptists face a great challenge and responsibility as we struggle to meet the opportunities before us in our growing and developing state. Fewer persons are members of churches in our state now than are **not** members . . . of any kind of church. Our evangelism burden to win the lost and our ministry obligations to all people, are at the maximum now in all our history.

The **Recorder** gladly and gratefully assumes its role in this Great Commission. More than ever before, the paper will seek to inform, indoctrinate, enlist, inspire, and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Subscription rates will **not** be raised for the **fourth** consecutive year in 1986, despite a substantial increase in the cost of second-class postage anticipated in October, 1985. Maximum stewardship of the paper's resources has been utilized to provide the paper at minimum cost so that more families can have the paper in their home. The rates for 1986 are the same as 1985: Individual, $7.00; Club (four or more), $6.00; Every Family Plan, $5.00. Our rates are equal to or less than all other major state Baptist papers such as **The Biblical Recorder**.

All is not well in the larger family of Baptists as our national convention continues to struggle for its direction and identify. Every Baptist needs to be well-informed with accurate facts and assessments so that he or she can come to the right position under God as a disciple of Jesus Christ. We must not let the conflict in the SBC deter us from the work and ministry we have here in our own state.

Let us pray together for the advancement of Christ's Kingdom as never before. Please pray for the paper, its ministry, staff and contribution to the Lord's work. If the paper can help you, your church or your association, please call 919-847-2127.

Respectfully submitted,
Rita Viola Justice

STATE MISSIONS REPORT

The Division of Missions of our Baptist State Convention is dedicated to the task of reaching people in every area of our state with the good news of salvation in Jesus Christ.

There are ministries to languages and ethnic groups, to migrant workers, to the inmates of our state correctional facilities, and special ministries to the hearing impaired and the visually and mentally handicapped.

Encouragement and assistance is provided to 79 associations with 46 associations receiving financial aid. Pastoral financial aid, site assistance, and building loans are provided for many churches. There is work with the General Baptist Convention of North Carolina through cooperative ministries and seminary extension classes.

Fruitland Baptist Bible Institute affords a theological education for those called of God who are unable to attend college or seminary.

Resort missions touch the lives of thousands of campers, vacationers, and tourists in the state's many recreational areas including Lake Lure and Chimney Rock.

There are three state missionaries serving the northwestern, southwestern, and northeastern areas of the state and a missionary coordinator serving in West Virginia.

Respectfully submitted,
Ernest Poston

RESORT AREA MISSION OF CHIMNEY ROCK

Two very dedicated young ladies, Kristi McDonough from Ohio and Sherrie Gore from Georgia, were our summer missionaries in the Lake Lure/Chimney Rock area. In addition, Marti Cathey, from the Piedmont Baptist Church, served on a voluntary basis.

Kristie and Sherrie led 20 campfire fellowships in the campgrounds on Friday and Saturday evenings and presented a Fourth of July program in the campgrounds. They also conducted 14 Sunday morning worship services over 12 Sundays in two campgrounds. Marti led 12 Sunday worship services in another campground. Total attendance at all of these services was 810. Kristi and Sherrie visited regularly in the campgrounds, shops and motels distributing tracts and Scripture portions. They also spoke in three churches and taught the Youth and Younger Children respectively in the Chimney Rock Vacation Bible School.

A highlight of summer missions was the area wide Youth Rally held at the Lake Lure Beach attended by 132 youth and their leaders from 13 churches in the Green River, Carolina, and Polk Associations.

Sunday lakeside worship services, sponsored by the Chimney Rock Baptist Church, from the Memorial Day through the Labor Day weekends, were attended by 512 worshipers.

Mr. Lester Hodge again supplied us with a very nice automobile and all our gasoline. For his generous support of resort missions year after year we are most grateful.

We are grateful to Kristi, Sherri, and Marti for their commitment, to Bill Brock for his support and counsel, to our churches, to the Baptist State Convention, and to the Home Mission Board for making possible our summer resort missions outreach.

BAPTIST RETIREMENT HOMES

For over 34 years, N.C. Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works -- providing security and hope in the midst of sincere concern and love -- bringing about the possibility for abundant life -- one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes.

The Retirement Homes' policy makers, your Trustees, and the Homes' Administrative Staff have put untold amounts of time and energy into addressing the changing scene of retirement living. This serious effort has enhanced the viability and efficiency of the Homes' ministry. Serious questions still face the Retirement Homes.

What forms must the Homes' ministry take to meet the increasing needs created by the growing numbers of older adults? How will facility needs be met with limited financial resources? These and many more issues are under serious study and consideration by your Trustees and Administrative Staff. The Homes have a rich heritage of ministry. Building on the strengths of this heritage, the Homes with the growing support of North Carolina Baptists will effectively meet the needs of many more older persons.

The following facts and information will give an overview of the Retirement Homes' ministry from August, 1984 - June, 1985:

- The Retirement Homes had an average daily occupancy of 244 residents in the five group Homes, Nursing Care Unit and apartments.
- Over 30 new residents were admitted to the Homes and Nursing Care.
- Group Home fees for care were not raised. Cost containment and budget controls made this possible.
- Over $100,000 of benevolent care was provided monthly to Home residents.
- Sixty cents of each benevolent care dollar was provided through Cooperative Program and North Carolina Missions Offering gifts.
- "Heart-to-Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a $20 gift.
- The Homes' Nursing Care Unit, Winston-Salem, can now care for 85 persons. Conversion of eleven Hayes Home rooms made this increase possible.
- The Nursing Care Unit is operating at 95% plus occupancy.
- Apartment policies have been revised. Plans are being formulated to build another duplex unit on the Hayes Home Campus.
- A 20-minute video tape "Not An Ordinary Person" has been produced to be used in communicating the Retirement Homes' ministry.
- The Retirement Homes do have vacancies. Please request admissions information from Mr. Jackson S. Hoyle, Administrative Offices, Winston-Salem, N.C.
- After more than 24 years of service to North Carolina Baptists and the Retirement Homes, Homes' President Bill Poole retired. A Trustee Search Committee is actively seeking the person to become the third President of the Baptist Retirement Homes of N.C. Jackson Hoyle is serving as Interim Director.
- The first meeting of the Retirement Homes' "Heritage Club" was held. The club members have included the Homes in their estate planning. Last year, through bequests, trusts, etc., over $400,000 was given to support the Retirement Homes' ministry. Information about the Heritage Club is available from the Administrative Offices, Winston-Salem, N.C.
- The fiscal year ending September 30, closed in the black, largely due to special gifts.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults -- Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud is provided.

CHURCH TRAINING REPORT

It is encouraging to know that many other Christians see the need for Christian maturing and leadership training in our churches. In addition to our ongoing Church Training programs, the associations has been focusing on the Baptist Doctrine Studies and the Children's Bible Drill. We are looking for growth in these areas in 1985-86, and we also plan to begin a Masterlife discipleship group which can then be repeated in our local churches. We thank you for prayerfully supporting our work together.

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1985

Campbell	Chowan	Gardner-Webb	Mars Hill
1887	1848	1905	1856

Meredith	Wake Forest	Wingate
1891	1834	1895

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is **779**! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents help students when they guide them to Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

EVANGELISM REPORT

We are told that only three percent of all the lost people come to our churches on their own. This means that 97 percent are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus.

All Baptists are urged to participate in the "Good News America God Loves You" revival in March and April 1986. The revival dates for the areas are: Eastern, March 9-16; Piedmont, March 23-30; and Western, April 6-13, 1986. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in N.C. will have the opportunity to hear the gospel of Christ by the end of 1986.

Churches are urged to have a CWT or Lay Evangelism School training in preparation for the "Good News America" revivals. Bible distribution and a people search will be emphasized during October 1985.

Many of our churches have already scheduled revival training seminars, Growing Evangelistic Churches in North Carolina seminars, and Spiritual Awakening seminars for 1985-86.

In February, in the midst of an ice storm, the Statewide Evangelism Conference was held at War Memorial Auditorium and Coliseum, Greensboro. Jo Ann Shelton and Loeen Bushman led the music and Dr. John Sullivan, Dr. John Bisagno, Dr. Bill Jones, Dr. James Pleitz, Dr. William Tanner, and Dr. Charles Page preached to the twenty-five hundred in attendance. On February 3-4, 1986, the 40th Conference will be held in Greensboro Coliseum with Dr. George Harris, Dr. Frank Crumpler, Dr. Leonard Sanderson, Dr. Frederick Sampson, and Dr. Jim Henry bringing the messages.

Super Summer '85 was held in July this year at Wake Forest University July 10-12, with the Crusade on Friday night in Greensboro with almost ten thousand young people in attendance.

The Evangelism Division sponsored 15 regional meetings in October designed for pastors and staff. These meetings will be held each year to inform and educate the staff on coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served. This year the emphasis will be on the "Good News America" revivals.

Again, one of the hits of the year was the Single Adult Evangelism retreat. This is the third year for this retreat and it along with the vocational evangelists retreat are always well attended.

The second Mountain Pastors' Evangelism Conference was held at Ridgecrest and was such a success the 1985 conference is already on the agenda. Designed for the mountain pastor and his wife, the conference begins on Friday afternoon and concludes Saturday at 2:00 p.m.

With baptisms down this year, let's pray God will use each of us to win one in 1985-86.

BAPTIST HOSPITAL REPORT

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its functions is more similar to that of a healthier heart. Also, cardiologists are now using streptolinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefitting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of $124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Mission Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344.00.

BAPTIST CHILDREN'S HOMES' REPORT

The mission of the Baptist Children's Homes of North Carolina, Inc., is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rending of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purposes of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985, as "Baptist Children's Homes Day," the Centennial celebration was well on its way. Phil Young of Henderson, was commissioned to write "Praise Book," a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas, wrote, **A Hundred Years of Caring**, an updated history of the Homes. Baptists from across the State submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "100 Years of Caring," was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June, and July, a 1,400 mile relay marathon, the longest in the history of N.C., allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985, at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

An update from the Western Family Services Area reveals the following highlights:

The emergency care shelters at Forest City and on the Broyhill Home Campus, as well as the maternity home in Asheville are operating at capacity level.

During the first year into our second century of quality child care, the Moody Farm Ministries in Macon County will open its doors to troubled children and youth.

We are grateful for the many friends who have given liberally to enable us to begin the Moody Ministries. Our first building will be debt free.

We challenge the Baptist of Western North Carolina to continue the task of developing resources to maintain this ministry.

BAPTIST FOUNDATION REPORT

Whether we look at our objectives in life as individual Christians or collectively, as a church, an association or convention, we should be interested, above all other life's objectives, in presenting the message of Christ to those who need to know and accept Him as Lord and Savior. One of the exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future.

Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our lifespan and, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totalled $265,029.34. Additions and contributions to new and existing trusts totalled $741,153 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totalled $10,930,279. Real estate holdings have an estimated value of $4,478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totalled $471,563 during 1984.

VACATION BIBLE SCHOOL

"Jesus loves me, this I know for the Bible tells me so . . ." These words are familiar to so many of us. During the days of Vacation Bible School at each of our churches, hopefully we take advantage of every opportunity to help the students become aware of the specialness of Jesus and of Jesus' love for them.

The importance of our association enlisting a full Vacation Bible School team is underscored by the fact that Vacation Bible School Clinics are conducted each year in more associations than any other type of Sunday School meeting. The association must provide adequate organization to meet the varied needs of the churches.

Jesus told us to minister one to another. Our call to worship this year in Vacation Bible School was Colossians 3:17 -- "And whatsoever ye do in

word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him." Our associational VBS team did a lot this year, both in word and deed, and my sincere thanks go to each of these individuals for their dedication and hard work.

On Friday, March 8, the team attended the State Vacation Bible School Clinic held at the First Baptist Church in Hickory. Those attending were:

Middle Preschool - Louise Myers
Older Preschool - Wilda Jo Hodge
Younger Children - Marigold Crawford
Middle Children - Ann Wingo
Older Children - Rose Ann Shehan
Youth - Gregg Wright
Adults - Rita Viola Justice
General Officers - Rev. Sidney Tanner
Mission VBS and Backyard Bible Clubs - Rev. John Perry

At that meeting, Green River Baptist Association was presented a certificate for the largest percentage increase in attendance from 1983 to 1984 in the associational VBS clinics -- our attendance increased 113% from 26 to 55.

Then, on Tuesday, May 7, from 7-9 p.m. at First Baptist Church in Rutherfordton, our own associational clinic was held with a total of 25 representing 8 churches; First Baptist, Rutherfordton; First Baptist, Spindale; Round Hill; Piney Knob; Montford Cove; Pleasant Grove; Piedmont; and Mountain Creek. Thus in two years we went from a 113% increase in attendance to a 120% DECREASE in attendance at our own associational clinic. The excuses given me were many, "In May, we haven't gotten our workers for our VBS to be held in June." "I was sure I couldn't learn anything new; it's the same old thing year after year." The excuses went on and on.

Statistics have shown that as many as 60% of those attending Vacation Bible School may be evangelistic prospects. More than 33% will be prospects for Sunday School enrollment. These priority concerns, plus the desire to involve as many persons as possible in 15-30 extra hours of life -- changing Bible Study make YOUR personal leadership in Vacation Bible School of vital importance. Now, what will YOU do in order to positively influence the outcome of our association's Vacation Bible School program next year?

Respectfully submitted,
Rita Viola Justice

SOUTH MOUNTAIN BAPTIST CAMP

The churches of Region 8 of North Carolina Baptists can praise the Lord because God really blessed their camp this summer. There were 1,132 who attended our regular camps. Many visitors came each week. There were 1,121 attending day camps and retreats. All of us were challenged by the

consideration of our theme, "All for Jesus." There were 125 saved and 265 rededications.

Staffers and campers were urged to be involved in prayer that all would have a personal experience with God. Each day the campers were in a class on the Christian life and involvement in the ministry of prayer. Each day in chapel we presented world wide prayer projects. We prayed for request of most of the campers each week.

It was exciting to hear many of the campers give a testimony about their experience with God.

We urge everyone to join with us in prayer that the campers will continue to grow spiritually and get involved in prayer and witnessing daily.

Support us in prayer and finances that our Retreat Center will be completed soon.

MISSIONS COMMITTEE REPORT

The Missions Committee met September 16, 1985. Five members and Bill Brock were present. We attempt to take a serious look at our area in view of needs for Christian ministry, especially those ministries which can best be carried on through the cooperative efforts of our churches. We also considered ways and means by which we as a committee could serve more effectively. A study of these matters helped us see the need for some changes in the committee structure. This would necessitate some changes in the Association's Constitution and By-Laws. Therefore the committee voted to request the Constitution Committee to consider these recommendations in its report to the Association.

For a description of these recommended changes, see the following sections of the Constitution Committee's Report: First, Article VI, Section 4, Number 7; Second, Article IV - Duties of Officers - Section 20 to be added; Third, under Policy, Section 3, in both 1 and 2.

In this report it is proper that we be reminded of several ministries in which the Missions Committee has been involved in the past and hopefully will be in the future. The Thermal Belt Baptist Youth Shelter needs the continued support of our churches that neglected and abused children can receive love and care in the name of Christ. The Resort Area Missions of Chimney Rock for this year is described in this Book of Reports by Ernest Poston. For a number of years, Brother Ernest Poston, pastor of Chimney Rock Baptist Church has worked faithfully in cooperation with our associational leadership, the Baptist State Convention, and the Home Mission Board helping to make this ministry an affective witness for Christ. Again this year, through the special efforts of Bill Brock, John Perry and Mike Jones and the support of churches, interest groups and individuals, eighteen boys and girls were enabled to attend a week at South Mountain Baptist Camp.

Other outreach ministries have been conducted by various churches during the year of which we do not have a record. But those rendered in the name of Jesus are recorded in heaven, and in the lives of those ministered unto.

From the report of Main Street Baptist Church, we learned of a special outreach mission which they conducted relative to their V.B.S. this year. They went into four different trailer camps and one low-rent housing area and pre-enrolled more than 100 children. These were furnished transportation to the church. It resulted in a high attendance of 175, and a record number of professions of faith. This serves as an example of what can be done with dedication and hard work.

With a clearer vision of the needs and our responsibility in working through the churches to meet these needs, we, the committee dedicate ourselves afresh.

Melvin Stalling, Chairman

W.M.U. REPORT

The past year in W.M.U. has been quite productive. It began with our annual Leadership Workshop at Chimney Rock Baptist Church which was very well attended. Our next event, a pastor and wife appreciation dinner, at First Baptist in Rutherfordton was enjoyed by all who attended. This event sponsored by all the associational W.M.U.s was held to tell the pastors how much we appreciate the support which they give W.M.U. work and also to inform them of the upcoming events.

In November the World Day of Prayer was held at Bill's Creek. This was a very meaningful service which was highlighted by representatives of many foreign countries depicted in their native dress. The W.M.U.s were very well represented at this event.

November and December was devoted to Foreign Missions emphasis, with many of our organizations holding Foreign Mission study courses. The Lottie Moon Christmas emphasis paid off as our association contributed a sizable amount.

March was devoted to Home Mission study with an emphasis on the Annie Armstrong Easter Offering. Several of the associational officers also attended the state annual meeting in Winston-Salem on March 15 and 16.

Our annual associational W.M.U. meeting was held in April at the Second Baptist Church. The program was very inspirational. I only wish more of you could have attended. I challenge you to attend this year.

In August 12 of our associational W.M.U. leaders attended the leadership workshop at Fruitland to learn new skills and information to bring home to our leaders. We would like to pass this information on to you.

Last year also started a big two year project for the upcoming North Carolina Centennial Celebration. The Centennial Celebration will take place during 1986 with January 8 being our actual calendar birthdate. We encourage all of you to get involved under the leadership our centennial chairman is providing and make this a very special year for W.M.U. in the Green River Association and in N.C.

Finally it is with regret that the past year saw Mrs. Violet Bartles step down from her leadership role in our association which she held for at least 6 years. She did an outstanding job with our organization and they grew under her leadership. A special thanks to her for her hard work and devotion. A special thanks too all the other council members -- both that stepped down and returned for the work during the past year.

Our 1985-86 emphasis is "Multiply the Vision." We encourage you to do this and become involved in anyway that you can to carry on W.M.U. work for the cause of spreading the gospel. Your associational officers are to help you, please call on us when we can be of assistance.

"All over the world the gospel is producing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in all the truth." (Col. 1:6 NIV)

DIRECTOR OF MISSIONS REPORT

This has been a most eventful year! The associational year began with some of the best speakers in the state of North Carolina speaking to the annual associational meeting. Each speaker was asked to enlarge on the theme "Developing Believers." Dr. Lawrence Childs, DOM of the Mecklinburg Association, Rev. Henry Stokes of Wake Forest University, Miss Janice Haywood of the Sunday School Department of the Baptist State Convention, Dr. Gene Waterson, pastor of First Baptist Church of Shelby, Dr. Robert Mullinax of the Baptist State Convention and Dr. Michael Blackwell of the Children's Homes of N.C. were on the two day program.

On November 5, the women of 16 churches observed the World Day of Prayer at Bill's Creek Baptist Church. This meeting was well attended. We are grateful for what the women of the association do for the cause of Christ in our churches, community, state, nation and around the world.

We wish to express appreciation to all of the churches that have financially supported the Green River Baptist Association. The budget adopted was $48,732 and the Association received $44,253.51 from 29 churches. Fifteen of the 31 churches gave 4% or more of their church budgets for the associational work.

During several months a group of pastors met each Wednesday morning in a Resource Group. Rev. Richard Bass led the group, and this proved very helpful to the nine or ten pastors who participated. We are grateful to Mr. Bass for leading the group and also providing the meeting place. The Pastors' Conference met monthly with varied and interesting programs.

Nine of the Green River Baptist Association churches participated in the Ministerial Day Program promoted by Gardner-Webb College each year. These churches contributed $391.54 toward Religious Education at Gardner-Webb College.

Since in 1990 the Association will complete 150 years of existence, the association has asked Miss Rita Viola Justice to write a history of the Association. Our constitution instructs the clerks to bind the minutes into volumes for permanent keeping. Unfortunately this was not always done, and the minutes of many years are missing. We would like to have the originals in our collection, but if this is not possible, we hope to make copies of privately owned minutes and have the collection complete for our Sesquicentennial Celebration in 1990. If you can help with this project, we will be most grateful.

This year we had a World Missions Conference in cooperation with the Polk Association. Ten of our churches participated. The missionaries who spoke in our churches were:

Foreign Miss.	**Home Miss.**	**State Miss.**
Rev. & Mrs. Hubert Middleton	Miss Claudia Hill	Miss Suthel Walker
	Dr. Ernest Upchurch	
Rev. & Mrs. Kenneth Bragg	Mrs. Ada Fernandez	
	Mrs. Diane Ford	
Dr. Helen Falls		

We are grateful to the World Missions Conference Steering Committee:

Rev. Billy Honeycutt-Director
Mr. George Doering-Transportation
Rev. Charles Nanney-Publicity
Mrs. Violet Bartles-Mission Study
Mrs. Rose Ann Shehan-Secretary

May was a busy time for many of our churches. In addition to the Memorial Days of most of the churches, an associational Vacation Bible School Clinic was held on May 7 at First Baptist Church, Rutherfordton. Our VBS representative did a fine job collecting the faculty and planning this helpful clinic. Thank you, Rita Justice, for your work! We also had a very good Pastor-Wife Marriage Retreat at the Knox Lodge in Ridgecrest May 17-18. Dr. and Mrs. Douglas Aldrich of First Baptist Church of Gastonia led this retreat. May 20-26 was Week of Emphasis on Associational Missions with our annual Nannie Newsome Offering totaling $3,071.68. This special offering was designated for the Building Fund of the Association.

During this Annual Associational Meeting you will hear our Resort Missions Report. During ten weeks of June, July and early August, the Association, Baptist State Convention, and the Home Mission Board promoted an outreach ministry in the camps of Chimney Rock/Lake Lure. This year Miss Sherri Lahyn Gore of Georgia and Miss Kristie McDonough of Tennessee worked under the direction of the Rev. Ernest Poston. Since Mr. Poston will be retiring from the Chimney Rock Baptist Church at the end of this year, we wish to express our sincere appreciation to Rev. Ernest Poston and the Chimney Rock Church for their help with the Resort Ministry during the past 9½ years.

Another of our ministries is the Summer Camp Program for needy children. This year 18 children attended the camp program at the South Mountain Baptist Camp. Each year we are dependent on the Public Health Nurses and the Social Service Dept., as well as pastors and school principals to help us find the children who most need this opportunity to (prepare them parental permissions, health clearance, etc.) and then to transport them to and from the camp. Rev. John Perry and Rev. Ron Tosto were especially helpful with this program.

To date, 17 of the 31 churches affiliated with Green River Baptist Association plan to participate in the Good News Revivals next spring, April 6-13. There will be a special rally in preparation for this evangelistic emphasis on March 4 at Second Baptist Church of Rutherfordton. We hope all churches of the association will join in giving the Good News to Rutherfordton County.

The Associational office has continued to serve the churches through the newsletter, publications, equipping centers, and audio-visual equipment. The Sharp Video Cassette Recorder and Video Camera and T.V. have been

on loan to many churches and are invaluable for the teaching of missions, religious education, and evangelism. We encourage other churches of the association to use this equipment and educational material also.

The big event of this associational year was the purchase of a building to serve as our office. The acquisition of the new associational office on Washington Street should make a big difference in what Baptists are able to do in this part of Rutherford County. Visibility as Baptists should be greatly improved. Heretofore, many people have not known where the associational office was located, or have been unable to climb the steps to our second floor office. Now that the sign is on the building at the corner of North Washington and Mountain Streets, people keep asking, "When will you be moving to the new location?"

The Building Committee under the capable leadership of Reid Hill, Quenton Scoggins, Eldon Humphries, Charles Hicks, Violet Bartles, and Lucille Moore is working to have the building ready as soon as possible. We hope that the special Bible study for pastors in November will take place in the new building. Our hope is that the building will be a Baptist Center of fellowship and help for all groups of our Baptist family.

We wish to express our appreciation to all who contributed in any way to the success of the work of Green River Baptist Association this year. I should like to especially mention Reid Hill, treasurer of the association and chairman of the Building Committee; Rev. Billy Honeycutt who represented us on the General Board of the Baptist State Convention and in Togo where he served preaching during July 29 to August 24; Dr. Earl Moseley, chairman of the Finance Committee, who negotiated successfully for the purchase of the new associational office; Rev. John Perry, moderator of the association and new treasurer for the Thermal Belt Youth Shelter; Rose Ann Shehan, clerk of the association and office secretary; the Executive Committee of the association and many other officers and committee members who have served so faithfully.

We look forward to a new year when the churches of this association shall indeed live out the theme of this present meeting: **"Jesus Christ Is Lord."**

SUNDAY SCHOOL

The Sunday School is the Bible teaching, people reaching arm of the church. It ministers to the needs of people at all levels, spiritual and many times physical. When Sunday School work at the local church is done enthusiastically and consistently it can provide the energy for accomplishing the work of the church.

The challenge of Sunday School is to provide trained teachers, witnessing people, and caring churches. The associational Sunday School leadership is ready to assist every church in the Green River Association in accomplishing its work.

Respectfully submitted,
Sidney Tanner

A possibility of the sale price would be $50,000.00. We would have to finance $40,000 with a $10,000 down payment. The monthly payments are estimated at $573.89.

A motion to accept this report was made with a second and discussion on the report was had. Rev. Bill Brock, Rev. Billy Honeycutt, and Dr. Earl Moseley spoke to the report with positive feelings about the purchase of this site for our associational office. It was mentioned that the location was central, the space inside the building was adequate for the association's needs, and that parking was adequate around the building, maybe using a few spaces at night across the street when larger committee meetings were held.

The Building Committee recommends it be authorized to proceed with negotiations to purchase the Rutherfordton Inn building at a price not to exceed $50,000. It is further recommended that a special meeting of the full Association be called prior to final action obliging the Association regarding purchase of the building.

This recommendation was made into a motion was seconded and carried unanimously.

Rev. Steve Bolton moved that an open house be held before the next meeting to finalize the purchase of this building to give everyone an opportunity to see what we are going to buy. It was also decided to let the building committee set the date and time for this. The motion was seconded and carried.

Rev. Bill Brock gave his Director of Missions Report.

Ms. Rita Justice made mention of the fact that only 3 churches had requested to purchase a copy of the 150th history that she was writing. She requested that any church that wished to purchase copies of this history to let the association know as soon as possible so she could talk more with the printers.

The meeting was adjourned with Rev. Steve Bolton dismissing in prayer.

Called Associational Meeting, July 23, 1985

The meeting was called to order by our Moderator, Rev. John Perry.

A report from the Building Committee was presented by Mr. Reid Hill. The report appears on the following page of this book.

After completion of this report Mr. Hill moved the adoption of this report and approval to purchase at a price of $47,000, and that the Building Committe proceed with plans for necessary renovations, with the understanding that proposed renovations be approved by the Executive Committee prior to such work being done.

The motion was seconded.

REPORT OF THE BUILDING COMMITTEE
To the Green River Baptist Association

The Building Committee elected by the Executive Committee has met several times for the purpose of finding a suitable location to build an Associational office building. We established the following criterion:

1. Location as near the center of the Association geographical area as possible.
2. Convenient access and good visibility.
3. Space to provide:
   a. Director's office
   b. Secretarial and Reception Area
   c. Room for additional secretarial and volunteer help
   d. Machine room
   e. Conference room
   f. Storage for audio-visual aids
   g. Rest rooms
   h. Kitchen
4. Adequate parking
5. Reasonable cost

Several properties were considered. Some were not near enough to center of the desired area. Others contained too much land, thereby making the cost excessive.

Two of our pastors, Rev. Billy Honeycutt and Rev. Earl Moseley, brought to our attention the former Rutherfordton Inn building located at the corner of N. Washington and Mountain Streets, next to the Dogwood Motel. The former owner had lost the building through bankruptcy proceedings. It is now owned by the First Federal Savings & Loan Association of Forest City.

After considering this property as a possible location for our Association office, the Building Committee recommended and the Executive Committee authorized us to proceed with efforts to purchase, at a price not to exceed $50,000, without obligating the association prior to its approval.

Rev. Bill Brock, Quinton Scoggins and Rev. Earl Moseley met with Mr. Perkins of the Savings & Loan and agreed on the price of $47,000. A binder of $1,000 was paid with the agreement it would be refunded if the association did not approve purchase.

The following information is furnished:

Size of building	2,339 sq. ft.
Parking	12 spaces
(Additional parking nearby for large meetings)	
Asking price	$57,000
Negotiated Price	$47,000

Your committee feels the subject property is adequate to meet all the needs mentioned above. It is centrally located with good exposure. The price is reasonable.

We recommend the Association proceed to purchase this property for the price of $47,000.

Rev. Earl Moseley reported from the Budget Committee concerning this motion. Rev. Moseley reported that the association had $8,871 available funds to be used for the purchase of this building. He also reported that two pledges toward the building had been made, Calvary Baptist Church has

pledged $1,000 and Second Baptist Church has pledged $5,000. Rev. Moseley reported that the loan from First Federal would be 12% and that payments would run possibly $500-$550 per month, this is if we finance $37,000. It is hopeful that our churches will donate more funds so that our amount financed will be less than $37,000.

At this time a vote was taken. The motion carried with some disapproval.

Rev. Billy Honeycutt, Nominating Committee Chairman, moved that the following persons be elected as Trustees for the Association with two rotating off in the 1987 associational year.

1988 - Quinton Scoggins
1987 - Charles Hicks
1987 - Eldon Humphries

The motion was seconded and carried uanimously.

The meeting was adjourned with Rev. Jim Cathey dismissing in prayer.

Quarterly Meeting, Sept. 30, 1985

The Green River Baptist Association Executive Committee met Monday, Sept. 30, 1985, at 7:30 p.m. at First Baptist Church, Rutherfordton.

The meeting was called to order by our moderator, Rev. John Perry.

To begin our meeting Rev. Perry recognized all new members.

Rev. Perry Jones read from Jeremiah 33 and lead in prayer for our time of devotion.

The roll was called with 29 present representing 14 churches.

The minutes of the previous quarterly meeting and the called associational meeting were read and approved.

The Treasurer's Report was read and approved.

Rev. Billy Honeycutt reported for the Building Committee in the absence of Mr. Reid Hill. Billy reported that the following sub-committees have been appointed to the Building Committee:

Construction
Finance and Insurance
Exterior
Interior
Publicity

The Committee feels that we should do what renovating needs doing to be able to get into the building in a functional way.

A diagram of the renovation plans were shown.

The Committee feels that after the interior is renovated that we should concentrate on the building debt for the next 3-5 years before we try to reconstruct the roof and other exterior changes that will need to be done in the future.

Rev. Honeycutt presented the following motion from the Building Committee:

1. Proceed with renovating the inside as shown on the plan.
2. Stay within building funds available.
3. Stay within $10,000 unless authorized by the association.

The motion was seconded and carried unanimously.

A suggestion was made that the Budget Committee should meet again and revise the Proposed Budget to include operating expenses for the new office and the payments that are to be made each month to the Savings and Loan Company.

Several prayer requests were made before adjournment.

Rev. Jerry Campbell dismissed in prayer.
